

## The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and  
BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all  
concerned?

## This Week's Program Program for January 21, 2016

**Presenter:** Len Jessup, President UNLV

Len Jessup joined UNLV as its 10<sup>th</sup> president in January 2015. An accomplished leader in higher education, Jessup brings experience as a university professor, administrator, entrepreneur and fundraiser. He will lead UNLV on its path to become a high-performing, community-engaged Tier One research university. Among his top priorities is the development of the UNLV School of Medicine.

Like many of UNLV's students, Jessup was the first in his family to graduate from college. This experience informs his understanding of the crucial role universities play in transforming families and communities, and it has been a motivating factor in his career in higher education leadership.

Prior to UNLV, Jessup served as dean of the Eller College of Management at the University of Arizona (2011-2014), where he was also professor of entrepreneurship and innovation and the Halle Chair in Leadership. He led Eller to become a self-sustaining college with higher national rankings that robustly contributes to the state's economic development. As a founding board member of the University of Arizona Health Network, he also contributed to the rethinking and restructuring of the university's academic medical center.

Rotary Club Green Valley meets  
Thursdays, 7:00 a.m., Wildhorse Golf Club

The Rotary Club of Green Valley (RCGV) was called to order by President Duane Frizell at

7:15 a.m. following breakfast and a few minutes of fellowship among Rotarians and guests. The Club then joined in the recitation of the Pledge of Allegiance. President Duane asked that we have a moment of silence and introspection.

Membership Chair Debbie Mitsch was then asked to introduce our visiting Rotarians and guests:

- Dan Stock (guest of Jerry Holinski)
- Bob Dougherty (Darcy's husband)
- Ted Durant (prospective member)
- Bill Manolides (prospective member)
- Tamara Tyrbouslu (guest speaker)

President Duane reminded everyone that the January 28 breakfast meeting of the RCGV will be held at the Silverado College Preparatory & Career/Technical High School. The meeting will convene at 7:00 AM. Duane also noted that we are seeking two supermarket locations for the Annual "Souper Bowl" of Caring food collection drive, in support of the Henderson Food Bank.

Bob Hulshouser stated that Parker Emerson, Rotary District 5300 Disaster Response and Shelter Box Chair, will be giving a Shelter Box presentation to the Green Valley High School (GVHS) Interact Club on Monday, January 25, at 2:20 p.m.. Rotarians are invited to attend the meeting at the GVHS Library.

Bob Dworkin announced that he will be planning a major bike ride event in partnership with the City of Henderson for next year. This 60 kilometer ride will potentially serve as a signature fundraising activity for the RCGV.

Stacy Mulligan was welcomed to the RCGV and Rotary International (RI) by Membership Chair, Debbie M. and Darcy Dougherty, Stacy's sponsor. Stacy addressed the Club members and expressed how much it meant to her to be a member of RCGV. Debbie M. presented Bob H. with a member sponsor award from RI. This recognition was followed with Bob's 5th Paul Harris Fellow award, presented to him by Susan Johnson, RCGV Foundation Chair.

Susan J. was recognized for her outstanding work in support of the Rotary

Foundation with the "Foundation Member of the Year" award. She received this award at the District 5300 Foundation Dinner on January 2, 2016 in Ontario,

CA. This Foundation event was particularly noteworthy in that RI President K.R. "Ravi" Ravindran was in attendance as an honored Rotary dignitary.

President Duane announced that Jerry Gardberg has graciously volunteered to serve our club as "Sergeant-at-Arms". Kudos to Jerry for stepping up in service.

Past President Mike Peterson narrated an interesting Trivia session that focused on "Rotary Awareness Month". Did you know that: (1) the first official project of Rotary was to install "Comfort Stations" at a public transportation site in Chicago (Note, Past District Governor Larry countered by saying the first Rotary project was to purchase a horse for a minister in need of transportation); (2) the cost of the first polio vaccine vaccination was 10 cents; (3) the first Rotary Club to charter in a non-English speaking nation was in Havana, Cuba; (4) A new Rotary Club is created every 14 hours; and (5) in 1905 the major fundraiser for the Chicago Rotary Club was a 50 cent fine. Mike followed with Happy & Dammit Dollars and the spinning of the Club Fine Wheel for our late comers.

Gerry Holinski introduced our guest speaker, Tamara Larisa Tyrbouslu, who gave a positive and upbeat presentation on the topic, "The Five Steps to Attract Anything You Desire". Rather than a typical podium-based program, Ms. Tyrbouslu preferred a free flowing discussion with us, focused on how ideas concerning positive thinking and actions can be realized.

Some key words and terms included: (1) Appreciation for others; (2) Targeting what you wish to accomplish; (3) What you think about, you bring about; (4) Aligning your actions and thoughts with what you desire to accomplish; (5) Language is important – keep it positive; (6) Have faith that what you desire will happen; (7) Take action and be inspired to do it; (8) Embrace what you have accomplished and (9) Return to appreciation.

Ms. Tyrbouslu mentioned the significance of the pyramid symbol to the concept of positive thinking and her topic. She was delighted to receive our gift of a RCGV Pyramid paper weight in appreciation for her program.

Following this superb presentation, the weekly raffle drawing was held. The pot continues to grow! PDG Larry Skaggs led the club in reciting The Four Way Test. New Member Stacy M. rang the closing bell, ending the meeting at 8:20 a.m. The meeting was adjourned by Bob H.

**Pasadena Rotary Plans RI Convention Trip with Cambodian Side Trip, RCGV invited**

This year's Rotary International (RI) convention is May, 29th in Seoul, Korea. Pasadena Rotary is leading a delegation of Rotarians and their guests on a preliminary trip to Cambodia, beginning May 23rd before traveling to Seoul on May 28th. The literary calls for a return on June 2, 2016.

The first leg of the trip will arrive in Phnom Penh for one day, with visits to historical sites. Then, the group will travel to Siem Reap to view the Angkor Wat Temple, the world's oldest religious temple.

Past Pasadena Rotary President Diana Peterson More has led an effort that has raised \$25,000 to build 16 fresh water wells serving 10,000 people.

Rotarians Frank Fish at 1-800-858-6999 David Mans at 626-449-7379 of the Travel Gallery are calling this trip "A life changing experiences." If you'd like to go on this expedition, register for the Convention as soon as possible, and book a room at the Grand Hyatt, Seoul, where the delegation is staying.
