## Rotary Recap: January 19, 2017 By: Debbie Mitsch & Jim Paxton

President Bob Hulhouser rang the bell to start the meeting at 7:00 a.m. and once members and guest had made their way through the buffet line, the Pledge of Allegiance was recited by the group. This was followed by an inspirational quote chosen by President Bob, and the introduction of guests by Debbie Mitsch.

President Bob then continued with announcements:

- **President Bob** provided an update on the newly formed Nevada State College Rotaract Club. There will be dual faculty advisors, both of whom are professors at the college. The Coronado HS Interact Club continues to move forward and Bob was also made aware of their upcoming Talent Show Fundraiser on **February 27**.
- Thanks to **Judy Lloyd** who has made it possible for the Club to submit a monthly article to the Vegas Voice, a local Henderson publication. Help will be needed to coordinate copy and pictures to meet deadlines.
- **Gerry Holinski** announced that the annual C.T. Sewell Health Fair is coming up on **February 15**, from 3:30 – 4:30. Volunteers will be needed to help hand out information and supplies to the attendees.
- **Ted Durant**, while vacationing in Cancun, MX, suffered a broken leg and is still in Mexico trying to recuperate. He will be unable to continue coordinating the Souper Bowl of Caring scheduled for the day before the Super Bowl (**February 4**) and President Bob

- **Larry Skaggs** provided a timely Rotary Information segment on "**Let us Know**". The Board and Club leadership are not mind readers. If you have a question, ask someone! There are no dumb questions, and your ideas are always welcome. This includes attendance tracking, new projects, guest speakers, leaves of absence and resignations.

**Mike Peterson** informed the crowd that the obscure holiday of the day was "Popcorn Day". Popcorn is a yummy treat that, for a short time during World War II, replaced candy as a go to snack because of America's shortage of sugar.

Mike then went on to collect member fines which were as follows:

### "Dammit Dollars":

**Dave McGovern's** 95 year old mother-in-law is suffering from influenza.

- **Roy York's** Garden of Eden floral shop will close by the month's end.
- **Terry Perkins** is off carbohydrates, per doctor's orders.

### "Happy Bucks":

- **Mark Roy's** granddaughter broke her state's swimming record for her age group in the free style.
- **Greg Bruce** announced that his improvisational comedy and music group would be performing a FREE show on **January 21**.
- **Susan Johnson** and husband Eric celebrated 30 years of marriage. Congratulations!
- **Judy Lloyd's** sister was recognized in her field in "Minnesnowda".
- **Delinda Crampton** brought us up to date regarding **Jasmine**, our Youth Exchange student. She is currently taking finals, and she was able to pass her history test. Way to go!
- **Jim Paxton** recently enjoyed skiing in Tahoe and will soon have much needed cataract surgery.

**Gerry Holinski** was then called upon to introduce the morning's guest speaker. **Felicia Ortiz** was recently elected to retain her seat at Member-District 3 of the State Board of Education.

Felicia has an impressive resume of community service involvement. In her State Board position, she is Vice Chair of the committee to oversee the implementation of AB 394, which was passed in 2015 to reorganize the Clark County School District (CCSD). The project has been a massive undertaking, but should be in place and operational by the start of the September 2017 school year.

Felicia's background in software and information technology has proven helpful in reviewing and making recommendations for upgrades to the CCSD antiquated reporting systems. The reorganization will include a new management model and new school operating teams. Appointed Associate Superintendents are now in place. Felicia and her team will continue to deal with challenges at hand, which include a lawsuit filed by CCSD in opposition to the measure. Visit <http://ab394.ccsd.net/> for additional information.

**Dave Jochman's** ticket was drawn for the raffle and he drew a 6, so the pot will continue to grow next week. The group then recited the Four Way Test, and the closing bell rang just after 8:15 a.m. to adjourn the meeting.
