Rotary Club Green Valley meets
Thursdays, 7:00 a.m. Wildhorse

two-and-a-half-day leadership training program for high school juniors chosen for their leadership potential. In addition to the development of leadership skills, RYLA is meant to develop understanding of Rotary among youth participants and reinforce and provide recognition for their efforts, accomplishments, skills and potential as leaders. Rotarians serve as facilitators to the students' learning and discovery. The facilitators act as role models of Rotary ideals of the Four Way Test and Service Above Self. The Rotary club of Green Valley (RCGV) is sending four students, and they will share the story at the May 11 meeting.

- The Principal of Coronado HS and the Interact Club President will visit on May 4, to meet their sponsoring Rotary club and receive their official documents
- **Bob Hulhouser** thanked members that took time out of their week-end to travel to District Assembly in Apple Valley. In addition to Bob, **President-elect Brad Marx, President Elect-Elect Janet Pancoast, VP Debbie Mitsch, Mike Soden incoming Secretary, Steve Tucker, and incoming Treasurer Terry Perkins** made the trek and learned best practices for the new Rotary year starting July 1, 2017.

Next, **Mike Peterson** was called on to introduce the Student of the Month. **Kyle Abenojar** is a senior at Silverado High School. He has a 4.8 weighted grade point average with his advanced placement bonus credits and is presently ranked number one in his class of 550 students. He is one of Silverado's eight valedictorian candidates.

In addition to his busy academic schedule, Kyle is a member of Silverado's Interact Club, and he also plays the clarinet in Advanced Band. Kyle plans to continue his education and has been accepted to and will attend the UNLV Honors College. He plans to major in Biology with a goal of becoming a medical doctor. Congratulations to Kyle!

Moving on to Happy Bucks, **Art Macarios** shared that we was off to enjoy a Mexican cruise. **Darcy Dougherty** was happy that she won a trip to Hawaii and will make plans to enjoy that soon. **Ted Durant's** ankle is much better; hopefully he doesn't restrain it chasing after his high school charges at RYLA. **Delinda Crampton** proudly shared that Rotary Youth Exchange student Jasmine had received excellent grades, including several A's on her recent report card. **CPA's Greg Bruce and Bob Dworkin** were both glad the end of tax season had arrived. Welcome back!

Teacher Mini Grant Chair **Ted Durant** introduced the program and explained that the presentation would be casual with each teacher coming forward to briefly explain their projects. The programs were varied, and ranged from Reading Rangers books for low level readers to Rubik's cubes to teach perseverance, and Bouncy Bands for students that have problems sitting still. The message was consistent that the Mini Grant program is much appreciated by teachers and administrators, and enables them to accomplish more with their students. At the conclusion, **President Bob** thanked them warmly for their contributions to Southern Nevada students.

After the group recited the Four Way Test, the closing bell rang just after 8:15 a.m. to adjourn the meeting.

Rotarian At Work Day Draws Members to Perform Cleanup of LV Wash

Rotarians at Work Day happens the last Saturday in April each year. Started

in 2006 as a joint effort between two Rotary Districts (one in the US and one in Mexico), Clubs around the world identify a hands-on project that all members can participate in to help their local community. The day is a great way to revitalize a Rotary Club, bring in new members, and generate publicity for Rotary. Green Valley Rotarians **Mike Peterson, Bob Hulshouser, Jim Frey, Dave Jochman, Gerry Holinski, Debbie Mitsch, Christine Smith, and Greg Bruce**, all worked to clean the portion of the Pittman Wash Trail between Arroyo Grande and Valle Verde. Also at the cleanup was **Grace Holinski, Daniel Holinski and James Allanson.**
