Green Valley Rotary Club meets
Thursdays, 7:00 a.m. at the
WildHorse Golf Club

Mike Peterson then took over to present the Student of the Month Award to Green Valley High School (GVHS) senior Caroline Thomas. Caroline exemplifies the characteristics of a model student at GVHS. She is ranked number one out of her 691 senior classmates, and she is a valedictorian candidate. Caroline won RCGV's local Dan Stover competition on her marimba, and she is a member of the GVHS band, orchestra, golf team, and National Honor Society. She is a member of the Nevada All-State Band and the CCSD Honor Band.

Caroline's golf coach said, "Caroline has been an exemplary student athlete for us the past three years. She has been an asset to our program bringing leadership, competitiveness and a determination to get better every day."

Caroline's AP government teacher stated, "Caroline routinely has one of the highest, if not the highest, grades and exam scores. Her academic abilities set her apart. further, she is one of the most polite students in the course, and is well respected by her peers. A class full of students like her would be a dream for a teacher."

Caroline will be attending High Point University in North Carolina next fall pursuing a degree in music while taking prerequisites for medical school.

Mike then switched roles to Trivia, Happy, and Dammit Dollars. The Trivia questions were about famous brothers in honor of Mike's brother

Kevin, visiting from Indiana. Christine Smith earned immunity from fines for answering a query about the Allman Brothers Band. Probably a majority of the dollars then collected, came from either tardy Rotarians or from nearly everyone present being happy about our extraordinary GVHS Student of the Month, Caroline.

Individual Happy contributions began with Gerry Holinski telling us his daughter received her Girl Scouts Silver Award. Mark Roy was pleased to have been in a packed house of 5,000 to see Celine Dion perform. Susan Johnson has a half marathon upcoming. Larry Skaggs was happy after returning from a well-deserved month in Cabo, as well as a trip back to Illinois to see his new granddaughter. Debbie Mitsch is happily looking forward to a European river cruise. Julie Todd is planning to spend four weeks in Italy and France. GVHS Principal Kent Roberts was happy for his school's 16th title in debating and for being judged one of the top seven high school orchestras in the nation in a recent competition. Steve Tucker was happy for scoring a national gold medal and an American Airmail Society gold medal for his Pan American Pacific Clippers postal history stamp exhibit last weekend in Boston. Christine S. was pleased about having exchange student Jasmine with us again and for UNLV School of Law graduating over 2000 law students recently. President Bob concluded with bucks for Jasmine's presence, and also for having as our special guest, Gloria Lee, who is our faculty Interact Advisor.

Longtime enthusiastic member Christine S. presented the day's slide and video program on Rotary Youth Leadership Awards (RYLA), a District 5300 sponsored camp experience in the Southern California mountains. RCGV sponsored two students from Silverado HS and two from Green Valley HS. Exchange Student Jasmine also attended as a guest of the District. Leadership seminars, exercises and gatherings are coordinators by Rotarian facilitators in charge of eight to ten youngsters. RCGV members participating this year included Christine, Ted Durant, and Mike S. Christine had a special "shout out for Mike and his valuable audio visual contributions to the camp.

All in another great meeting was dismissed shortly after 8:10 a.m.!
