After **Bob Dworkin** received his Fair Harts award, he offered the Club about RCGV's 30 and 60 mile bicycle events scheduled in the fall. The ride will begin at the Fiesta Hotel Casino, before riders head east on Lake Mead Blvd., circling all or part of Lake Las Vegas, and then returning to the Fiesta where they will receive a complementary lunch. Bob D explained that he will need help from the membership securing sponsors. The date of the event is October 21, 2017.

Past President and Trivia Host **Mike Peterson** was called to the podium where he told the membership that the day's obscure holiday was VCR Day. He asked the group "How many of you still have VCR's?" Then, "since not many of you have VCR's," Mike observed, "let's do the trivia in honor of Best Friends Day." Best Friends **Jack Lemmon and Walter Matheau** are best known for the movie "The Odd Couple". Two other best friends were George Clooney and Brad Pitt in "Oceans Eleven".

Following late spins, Mike moved on to Happy Dollars. **Darcy Dougherty** was happy about the time she recently spent with friends and family in Ft. Wayne, Indiana. **Greg Bruce** was happy that he saw "Hamilton" at the Smith Center. **Gerry Holinsky** was happy about the Club's successful Bike Rodeo. **Debbie Mitsch** was happy to be home following cruise on the beautiful and historical Rhine River with her sister in law and husband Bob.

Dave Jochman gave a happy dollar, celebrating that he is "still vertical and still in the game." **Susan Johnson** announced happily that the wine making will soon begin for the wine club. **Jim Paxton** had a happy dollar over his Kolob Lake fishing trip, during which he caught five fish, two of which exceeded 20 inches.

Next on the agenda was the day's speaker, **Nemo Galloway**, a veteran North Las Vegas Firefighter, who explained the Firefighters of Southern Nevada Burn Foundation.

"The Burn Foundation has four initiatives: first to help victims after the fire is out by providing assistance to the victims and their families, secondly, to act as a resource to help residents after catastrophic events, thirdly, to support children during the holidays, and finally, to educate and promote awareness of fire and life safety. "Last year," Galloway stated that, "sixty five young burn victims were sponsored by the Burn Foundation to attend six different burn camps."

In addition to their primary functions, the Nevada Bun Foundation has an annual "Fill the Fire Truck" toy drive that has collected thousands of toys for disadvantaged children throughout the Valley.

Following the close of **Nemo's** informative program, the weekly raffle was held, and Nemo drew a ticket belonging to Jon Hoolihan. The \$384 dollar grand prize remained intact as Nemo drew an eight. The meeting was adjourned by President Bob at 8:15 a.m.

RCGV Board Meets to Plan Dust Devil Ride in October, June 22 Debunking

Rotary Club of Green Valley's (RCGV) Board of Directors held their regular meeting on Tuesday. Past President Duane Frizell chaired the meeting in the absence of President Bob Hulshouser, and the Directors were brought up to date on the Club's planned fall bicycle ride and the Debunking Party, scheduled for June 22 at the Revere Golf Club in Anthem.

Bob Dworkin is heading the Bike Event Planning Committee, but in his

absence committee member Darcy Dougherty reported on the “Dust Devil Ride”, scheduled to be launched this October. Darcy said that the Committee has planned the route, coordinated the development of an event logo, and prepared promotional literature. She bought sample Tee-shirts from which the Board selected a color.

The Dust Devil Ride will need all Club members to volunteer in order for it to be successful. Volunteers will have to get sponsors, and each Rotarian will have to serve on a committee or sub- committee. There will be an exhibit area for the sponsors at the starting and finishing point, the Fiesta Casino.

Next, Darcy reported on the Debunking Party, coming up June 22. To date she has receive 40 reservations. Cocktails will be available at 5:30, dinner at 6:15, and dismissal by 7:30. She said that President Bob will give closing comments on his term before President Elect Brad Marx gives a preview of his upcoming term. During the Debunking, the Rotarian of the Year will be announced.

The Directors assisted President Elect Brad to firm up his budget, which must be submitted to the District by July First.

Two applications for Club membership were approved, and the names will be submitted to the membership following the receipt of the candidates’ \$100 initiation fee by the Club Treasurer, Jay Larsen. The pending members are James Allanson and Robert Cravitz.
