Program

Two very interesting Craft Presentations were made by our newest members.

New member, **Nate Henderson** shared that he has been a Litigation Attorney for 4 years. He is a native of Henderson, attended Silverado High School and is still a resident. Nate studied History at BYU and attended Law School at NYU, where he met his wife. He is married and has a baby daughter due next month. They have a dog, Scottie, named in honor of Nate being a huge Star Trek fan and proves that by attending Star Trek conventions in full regalia. "Scottie, beam us up!"

Mike Denley has been a Rotary member previously and decided to try a second go-round (or third) and is glad to be a part of the club. A native of Las Vegas, Mike has been a barber for the last 42 years, originally at his own shop, Mr. Clippers and the past 5 years at the Venetian Hotel. He plans to retire on December 7th, 2017. He has been married and divorced three times and is planning on the fourth being a "charm". He is an inventor and holds a patent for a Check Clip, a device that transfers checks written to an online register. Mike is the proprietor of Mike's Baked Goods 4U on Facebook. His specialties include chocolate chip/walnut and white chocolate/macadamia nut cookies. He is the past president of Speakeasy Toastmasters Club. He loves helping people, improving their day and making them smile.

Adjournment

The meeting was adjourned at 8:14 A.M. by **President Brad** after **PP Bob Hulshouser's** ticket was pulled, he drew a "7" and contributed his winnings to the Polio Pig. The pot is \$917! **PP Bob** then led the club in The Four Way Test of Things We Think, Say and Do.
