Program

District Governor John Chase

President Janet Pancoast introduced our honored guest, **District Governor John Chase**. John was a police officer for 23 years, and now owns an insurance company in Boulder City. Janet is very excited about the District Governor's Project, and his push to work with other clubs and local nonprofits.

When he took center stage, DG John Chase's outfit was a big hit with the club, as his vest and shoes highlighted Rotary. After showing off his fashion statement, he praised Beth and Jim Pappas for raising such a well-accomplished kid, saying, "good kids don't happen by accident". He also praised the Rotary Club of Green Valley for being such a welcoming club, saying it's one of his favorite clubs to visit. Before starting his presentation, DG John Chase presented PDG Larry Skaggs (and his wife Vikki, who was not present at the meeting) with a special Tarnished Brass pin.

DG John Chase's presentation was both a recognition and a check-in for all that Rotary is doing, and can be doing better, in the community. How are we impacting young people in the community, and how can we communicate with them better? How is club membership? RCGV is above the curve, but the District has lost 10% of its members. We can do better by asking people that we think would be good Rotarians to join, even if we recommend a different club that better suits their schedule or location. Where are we at with Polio, and how can we help wipe it out completely? DG John suggested donations, talking about our efforts publically, and going to the Foundation Gala to listen to Ramesh Ferris, the Keynote Speaker. We can also do something for World Polio Day, which is October 24th, 2018.

DG John Chase reminded us of Rotary's 6 areas of focus: promoting peace, fighting disease, providing clean water, sanitation and hygiene, saving mothers and children, supporting education, and growing local economies. We can support these areas by taking advantage of donations through Rotary Direct, and by thinking of Rotary when we put together our will or trust. There were no

questions, so the presentation was concluded with an exchanging of banners.

Adjournment

There were two raffles because of the issues of last week. **George Baggott** was finally able to pull a card, and he won \$7. **DG John Chase** drew the second set of numbers and **Greg Bruce** had the winning ticket, also pulling a 7 out of the deck. He made a joke that it was rigged. He then led us in the 4-Way Test.

President Janet Pancoast adjourned the meeting at 8:10 a.m.
