All late-comers were called forward to spin the wheel. It was a profitable day for the Club as there were some All Pay and Table Pays.

Jerry Gardberg had a dammit dollar for getting locked out of his car because of his fob, but was happy that he was able to walk home and have Fran come unlock the car.

Mark Roy is happy to be home, as it was -24 degrees in Ohio. It warmed up to a blistering -2 degrees while he was there for his granddaughter♦s surgery. His granddaughter is recovering well. Esther also had surgery, and she is doing well too.

PP Bob Hulshouser had a happy buck for Arno visiting from Germany. He also had happy bucks for the Interact students that came out for the Souper Bowl of Caring.

Program

Tiffani May, Vice President of Mastering Mindsets, introduced herself and

speaker, LJ Edmondson. Mastering Mindsets serves children aged 5-17 in Las Vegas valley. LJ Edmondson is a SOAR award winner for being a safety officer, recently won the Trailblazer Award, and was officer of the year in 2016. He is also a veteran, single father, and Person of Action.

LJ Edmondson started Mastering Mindsets, a youth empowerment organization, with friends interested in helping to further educate their own children. The idea started in a barbershop, and has grown from being free workshops with their own kids into serving over 200 youth. They currently have 65 registered active children in their program. LJ and his friends were tired of having opinions on what needed to be changed and started the work to change things themselves. Mastering Mindsets looks to help children acquire new skills, it exposes them to new ideas, teaches nutrition, and teaches how everything in our lives are linked. The organization deals with low-income areas and youth, and helps the youth in their programs gain cultural esteem through empowering education. They are always looking to develop new programs, and LJ Edmondson is never afraid to ask for help. For more information please go to www.masteringmindsets.org

Darcy Dougherty did the right thing and won \$10 in the raffle. The pot was at \$532. Darcy then led the group in recitation of the Four-Way Test of the Things We Think, Say or Do.
