Who can join?

We're looking for people who want to give back to their communities. We welcome professional adults and retirees, young professionals, and college and high school students for membership in one of our many clubs in Southern Arizona

If you're between the ages of 12 and 18, you may be interested in joining an [Interact](#) club, a service club for youth. If you are 18 years old, you may be interested in joining a [Rotaract](#) club. Make friends, develop leadership skills, and create positive change.

How can I become a member?

To help us find the right club for you, we'll ask you a few questions about yourself and your interests. Then we'll share your answers with Rotary leaders in your community, who will match you with a club and invite you to come attend a club meeting as a guest. Clubs accept new members via invitation by the club president or membership chairperson.

What's expected of me?

As a club member, you will be asked to:

- Use your professional/personal skills and talents to make a difference
- Attend meetings and events
- Pay club annual dues
