

## PROSPECTIVE MEMBERS

*Rotary is for Everyone! You Belong Here!* Rotary International is a global network of community volunteers with members, known as Rotarians, who work together to create positive change in their communities and around the world.

Rotary District 5500 (D5500) is made up of more than 50 Rotary Clubs in Southern Arizona, where our members put service above self. Our 1,500 members are leading and partnering on projects that create lasting local and global community change. Our D5500 members come to Rotary to serve. They stay for the friendships and relationships they build. [Learn more about joining Rotary.](#)
