## 2024

The Rotary Leadership Institute (RLI) is a multi-district leadership and Rotary development program using facilitation in small groups to engage Rotarians and strengthen clubs. RLI is a recommended program of Rotary International but is not an official program of Rotary International. RLI seeks to provide quality education, leadership skills and Rotary knowledge to club members interested in developing their Rotary participation and their leadership potential.

**Our Mission:** The Rotary Leadership Institute is grassroots, multi-district leadership development program whose mission is to strengthen Rotary clubs through quality leadership education.

The mission of the District 6200 Rotary Leadership Institute is to provide an up-to-date, practical, and user-friendly educational opportunity in a convenient online or in-person format. Courses are provided to foster leadership skills and Rotary knowledge with the intent to inspire club members to be enthusiastic, informed, creative and dedicated leaders.

Being a great leader is about having a willingness and a true commitment to lead others to achieve a common vision and goals through positive influence. Leadership is about people and for people. As Rotarians, we are leaders. In our clubs, in our communities, in our professions, and in our lives.

At RLI, our purpose is to provide access to the tools, knowledge, and skills to build better leaders for today's world.
