

Providing your club leadership with tools to plan for success.

## Club Visioning UPDATE

Our passion is providing you with the tools you need to plan your future.

We are leveraging Rotary's diverse business and training acumen to deliver our best Visioning program ever, along with new programs designed to ensure we can provide the tools you need to realize your Vision!

Our update includes:

- OPTIMIZED Club Visioning
- UPDATED website
- NEW District Visioning
- NEW Club Vision to Action Plan

## Why CHANGE?

We are bringing together strategies developed for education, business, and leadership into a cohesive training strategy.

We have been listening to your feedback. Rotary includes thousands of experts across a plethora of disciplines, giving us a multitude of perspectives directly from our audience! Based on your feedback we have created a much improved and much expanded program that we are excited to share with you!

One change we are excited to share is our online writing exercise. Clubs will have the option to complete the writing exercise before Visioning, so we can cover the same material in 30 less minutes. Each club can decide the best option for their members.

## What is NEW?

Our new Club Visioning gives you the tools to:

- List Club priorities
- Give Club direction
- Establish consensus

### What is VTAP?

Club Vision to Action Plan (VTAP) provides tools to:
