## PROGRAM

---

**Jack Stickle** introduced Presidents from other local clubs for Rotary Club Updates, including **Chuck Peterson** of Granville; **Spencer Barker** of Newark/Heath; and **Judy Baird** of Pataskala. **Judy** stated that Pataskala is the youngest of the clubs represented here, formed 21 years ago and sponsored by both the Granville Club and 3 members from Newark club (**TD, Glen Abel, and Bob McGaughey**). **Judy** was the first President of the Club. Chartered in 1998, the Club's signature event is sponsorship of the Street Parade, a highly visible event wherein Rotary selects the theme and Grand Marshall. Other projects include establishing (and continued support for) the Pataskala YMCA, and the "Battle for Broad Street" event held annually to foster good sportsmanship between Licking Heights and Southwest Licking school districts. **Judy** provided brochures and announced posters are available for those who can help promote an event open to all Vietnam Vets that will be held March 29.

Next, **Chuck Peterson** stated that Granville Rotary was started in 1949 by the Newark Rotary Club, and thus will be celebrating their 70th anniversary this November. **Chuck** has belonged to the club for 23 years and has seen many changes, but they have always dedicated many projects to youth. This year, a new position of Youth Emphasis under the Service Director was created to oversee major projects including: Leadership and Ethics Conference for 10th and 11th graders throughout the Conference; the Youth Exchange program where Granville hosts, and sometimes sponsors, foreign exchange students: Granville HS Interact Club; JA Biz Town for 5th graders; GHS Rotary Youth Awakening Conference; and student of the month. The Service Director still oversees holiday decorating at Bryn Du; Shred-It days; Litter pick up on the bike path; MLK Food Pantry, Salvation Army; and Blood Drives, in addition to the Saturday market. A Literacy Initiative last year provided a gift of \$1,000 for the 7th and 8th grade libraries, after staff librarian position cuts. Internationally, the Granville club supports a water well in Haiti and 2 annual awards: Service Above Self, and Vocational Service Award. Major fundraisers include the chili cook-off in October, Flower Sales, the Taste of Granville (coming up April 27 at Bryn Du!), and the Firecracker Five. New initiatives hope to bring membership back to traditional levels, as the Club has lost many older members in recent years.

Finally, speaking for the Newark-Heath Club, **Spencer Barker** stated they are in the 33rd year and meet in this same room at 7 am on Thursdays. The club has about 60 members, and everyone pitches in as the Club does a lot in the community. He proudly discussed the Dictionary Project (partially funded by the District), which provides all 3rd graders in 57 classrooms with a dictionary; **Spencer** recently held a conversation with a high school student who still cherishes his dictionary. Also, they sponsor the Heath HS Quiz Team, providing an annual awards banquet and scholarship for a senior Quiz Team student, as well as making sure students are familiar with the Four Way Test. High Schools supported by scholarships include Licking Valley, Newark Catholic and Heath. New this year, the club is working to provide long-term financial and volunteer support for the Boys and Girls Club, which they hope will soon be finalized. A major source of funds is a memorial fund held at the Licking County Foundation, and the club is thrifty with those funds.

President **Jack** thanked these Presidents for their updates, as well as **Cheri Hottinger** for pulling this program together. He stressed the need to work together within our District. He also noted that on April 9th there will be a break-out meeting after the regular meeting to discuss 2021 Plan, copies of the overview were left at each place for the past two weeks.
