## District Governor's Message

From high atop Downtown Granville in my Rotary Room: Is it the truth? Actually Kathleen and I are in South Carolina, but I want to get this newsletter to all in the District before our return on the 23rd of April.

We are rapidly winding down the year of ENGAGE ROTARY CHANGE LIVES, but there are a couple very important events before we install DGE Randy Davies as Governor and I accept the prestigious title of Past District Governor. There are probably 59 Presidents that are ready to have the word "past" in from of their title also. We must admit it has been a wonderful experience and though not without some trials and tribulations all in all the good far out weighs the bad.

We have a District Assembly on April 26, 2014 in Chillicothe. PLEASE MAKE SURE YOU HAVE REGISTERED FOR THE EVENT. It certainly helps with the planning process to know how many will be in attendance. Lets show our support for Randy by attending this assembly in his hometown.

Finally the District Conference will be held May 16-17 at Cherry Valley Lodge in Newark. Because of me being incapacitated for a few weeks we are a little behind in the number that have registered. Now I know why they called my problem a STRESS fracture. The Conference committee has worked very hard to plan for the "Family Reunion" and I am asking that you please register NOW. The days are few before we celebrate all that we have accomplished in the District this year, but we need you to make the celebration a real party. This is the year of FIRST CLASS for all the club presidents and I would hope that all 59 will be there as we acknowledge this prestigious group of distinguished members of a very elite number. There are only 49 Districts in the entire Rotary world that can wear the First Class button and you are part of that group. Please be there as we

[Con't.](#)

## District Governor's Message

honor each of you. Encourage your members to do the same, they can show their support for all you have done when you walk across that stage Saturday night.

Speaking of Saturday night, the dinner will be a Murder Mystery presented by the Rotary Club of Pataskala. This has been an annual event for the club and I understand that this is one production you will not want to miss. I know nothing about the plot, that remains a MYSTERY, but because I am somewhat connected to the club President she has assured me that this is without a doubt the best they have ever done.

This year the parade of Presidents will be preceded by all of our Past District Governors leading the FIRST CLASS group. It is at that time when we will acknowledge the accomplishments of each club to include the Presidential Citation and other accolades. This is the time for your members to get a little crazy. Shouting, applause, and other types of outbursts are permitted and encouraged. Remember a special award for the club with most attendees will be presented. I will let our awards people, Michelle Layman and Laura Lewis choose the name of the award. (I think they already have a name).

If this is not enough to get you to attend, I think I forgot to mention that we will have a Hospitality Suite. This SUITE will be hosted by the Rotary Club of Baltimore under the supervision of former member of Whitehall-Bexley Rotary Club, Tony Caito. I use the word supervise loosely. For those experienced conferees you may have been subjected to previous hospitality hosted by WBRC with Caito supervision and he has returned. I promise you a good time with Tony and the Baltimore members.

As it stands right now there are only a few and I mean very few rooms available. The Lodge is sold out, but you will have to say Rotary to get a room. At last count there were less than 15 rooms in our block still available.

I have focused on the fellowship aspect of the District Conference and I truly believe that is who we are as Rotarians. Friends that truly enjoy being with each other. For me it is and always will be the friends I have made in Rotary and having each of you a member of our family that defines what

## District Governor's Message

Rotary is to me. You have heard that many times from Bart and Kathleen. See you at the [Family Reunion, Cherry Valley Lodge, May 16 and 17.](#)

---

In anticipation of the Conference PDG Dick Thompson and wife Pam are receiving instructions from Bart and Kathleen as to duties for the Aide to Presidents Rep Don Mebus.

---

To all that have sent cards, made phone calls, and the many emails, I thank you for your prayers and thoughts. It was a difficult February and March, but at last I seem to be headed back to normal (whatever that is). During that time Vice Governor Jim Flaherty and Shana Fair composed and distributed the Newsletter and it was business as usual. Thanks for a job well done. During the time when many doctors were trying to find out what was wrong, PDG Dick Thompson was my rock. Thanks Dick for being there to support and care.

I am not sure the best way to cure a STRESS fracture, but I'll bet having you sign up and show up at the District Conference will help. Have you figured out yet what my focus is for this Newsletter? Registration is open and on line for the "Family Reunion".

Please continue to read the **Rotarian** magazine it is a way to stay "Rotary informed". It will keep you informed and up to date with Rotary news, bring new ideas for Rotary service, and tell stories that are meaningful to you. Reading Rotary magazines should serve as a reminder that we are really part of something larger than ourselves. The **Rotarian** shares with us the breadth of Rotary and what we can achieve through Rotary. Through the Rotary publications we can see how our Foundation dollars are being used to Engage Rotary and Change Lives.

Thanks for caring during the past few weeks and being my inspiration to continue to serve as your District Governor. May each of you be blessed with good health and thanks for giving me the gift to be your District Governor.

Bart Mahoney,  
Thank People and Have Fun

### New Albany Rotary:

The New Albany Rotary Club hosted its 3<sup>rd</sup> Annual Pancake Breakfast on March 8<sup>th</sup>. This was a very successful event that paired together two great organizations. Simultaneously the New Albany Indoor Farmer's Market held its final indoor event of the year. This allowed our guests to take part in the market, and there was plenty of flow from the market to the pancake breakfast. The event was so successful that the Farmer's Market decided to continue putting on a March market again next year if we agreed to have our 4<sup>th</sup> Annual event at the same time! They were contemplating ending the market in February for 2015.

The New Albany Club took advantage of this time to get to know one another better. Nearly every member showed up for at least a shift between 6a and 2p. Duties included cooking, greeting, cleaning and serving. There was a great sense of brother/sisterhood and everyone got the chance to learn more about their fellow Rotarians. This club has grown ever so rapidly. At the beginning of Joe Evan's term as president, the club was at 20 members. Joe made a 40 by 14 pledge, promising to grow our club to 40 members strong by the end of his term in 2014. Since that pledge, we stand today at 38 Rotarians, with 2 recent guests looking to join in the next couple of weeks. We hope to announce in the next newsletter that we have hit our goal and doubled our membership in less than 1 year!

Something else our club is very proud of is the group of veterans we have in our club. One of those veterans, Frank Korth, had a concern with the size of our American flag we display at our meetings and recite the Pledge of Allegiance to. He was very passionate about this and he decided that if you have an issue with something, you need to speak up and make a change. So, Frank went out and purchased a much larger flag and brought it to our March 11 meeting. The attached photo shows 3 of our veterans, Frank, Dustin Keller, and Gordon Kaylor. They presented the colors to kick off our meeting. It was a very proud moment for our club!

We continue to have our monthly social gatherings at the Rusty Bucket in New Albany on the 3<sup>rd</sup> Wednesday of the month starting at 6:30. We've had great success with attracting new members from these events. Please come and visit to see what the New Albany Rotary is all about.

### Capitol Square:

On March 18, Jeff Orlowski, director and cinematographer from Colorado, spoke to Cap Square Rotary Club about his Award-Winning film, *Chasing Ice*. The film crew was recently in town for the 2014 Chasing Ice Ohio Tour. *Chasing Ice* is the recipient of the Renewable Natural Resources Foundation's 2013 Outstanding Achievement Award, and has won more than 30 awards at film festivals around the world. The film follows *National Geographic* photographer James Balog into Arctic adventures. It was very informative and dovetails nicely into the Club's Tanzania project.

Franklinton Gardens, one of our local service partners, was the site for our monthly service project on March 29. Franklinton Gardens is a nonprofit urban farm located in Franklinton, a historic neighborhood on the west side of Columbus. Club volunteers braved the snowy Saturday morning and re-glazed old window sashes that were salvaged from old houses down in the Franklinton area. Then the window sashes were painted. They will be used in the near future as windows in greenhouses that are currently under construction.

April's local service project will be a two pronged effort; we are participating in Green Columbus on Saturday, April 19, again helping out our local partner, Franklinton Gardens, with gardening and planting. The following Saturday, April 26, CapSquare Rotary Club will be sponsoring a booth during the Earth Day Celebration, which is being held at Columbus Commons, in downtown Columbus.

### Dublin AM:

#### Interact students attend club meeting

The club recently had a visit from Interact students from the three high schools. Interact is Rotary's farm team:—young people who care about giving to their communities learn about Rotary principles and work on projects that benefit others. It's always a wonderful day to see how much they give. Thanks to our Interact Leader Greg Gleaves and to the Rotarians who serve as advisors to the Interact Clubs: Cap Clegg, Raj Hora, Asch Mikhail, Claudia Trusty.

#### Supplies for Sierra Leone: Please Help

Dublin A.M. has developed a contact from Sierra Leone, a country recently wracked by civil war. We are providing LN-4 artificial hands (many people lost limbs in the war) and H2O Water Backpacks for distribution, but the people of this poor country could use more help. Next Friday, April 18, please consider bringing the following to our club meeting: household goods, especially cooking utensils (but not electric or gas appliances--electricity or gas is often unavailable); clothing of any size, men's, women's, or children's; books; or medical equipment, such as crutches, wheel-chairs, scooters, prosthetics. All will be shipped to Sierra Leone without cost to us. Thanks

### Chillicothe Rotary:

#### Rural AG Day at the Chillicothe Rotary.

Rural-Urban Day had 28 agricultural guests which included 2 County Commissioners. Two interns and 42 members were also present. Bart Johnson (son of the late Ed Johnson, founder of the Agri Broadcast Network) and veteran broadcaster Dale Minyo were our guest speakers from the Ohio Ag Net. The day celebrated the importance of agriculture for our community.

### Olentangy Rotary:

On Saturday, March 29, the club participated in the MDA Muscle Walk/Run at The Ohio State Stadium. Although the day was cold and wet, there was a lot of enthusiasm for the event. We honored Robb Flannery, son of Lisa Flannery (member of our club) with an A frame sign stating that he was a hero. We handed out candy and Rotary Pens. We talked with lots of people and felt honored to be a part of this event.
