The **Adopt-a-Road** litter prevention initiative, sponsored by Gwinnett County Department of Transportation (DOT) and Gwinnett Clean & Beautiful Services (GC&B), enables citizens to actively participate in the removal of trash and illegal signage alongside county right-of-ways.

The **right-of-way** is defined as the space between utility poles and the curb of the road. **Illegal signs** are defined as any sign that is mounted on any utility pole or any temporary sign within 10 feet of the curb or edge of pavement in the right-of-way.

GETTING STARTED

- ✓ Get a group together and plan to complete a minimum of 4 cleanups per year.
- ✓ Use the "Send Me More Information Form" to let GC&B know near what area you are interested in adopting a road.
- ✓ Work with GC&B to determine an appropriate road section: at least 1-mile in length and where there is a litter problem that you can help with.
- ✓ Fill-out and send in the Adopt-a-Road Agreement to GC&B.
- ✓ Contact GC&B to request supplies for loan at least a 5 business days before your first cleanup (include about how many people you will need supplies for).
- ✓ Have each member of your group sign one of the attached Volunteer Waivers (either for Adults or for Youth).
- ✓ Supplies provided by GC&B and DOT include safety vests, trash bags, and "Men at Work" sign/s.
- ✓ Return checked-out supplies within 2 business days after your cleanup.
- ✓ Submit your Post-Cleanup Report within 30 days to GC&B!
- ✓ Two Road Signs with your name will be installed after GC&B receives your second Post-Cleanup Report.

VOLUNTEER RESPONSIBILITIES

1. Select an Authorized Representative to officiate as the group's spokesperson.
2. Receive approval from GC&B for the road section you want to adopt. **Road section must be at least 1 mile in length.** State Routes are not eligible under this program. Use cross-streets or intersections to describe the "To" and "From" lengths rather than landmarks or exact addresses.
3. Sign and return the "**Adopt-a-Road**" **Agreement** form to Gwinnett Clean & Beautiful. This must be updated each year at the time of its expiration.
4. Plan to do a minimum of four cleanups per year. If you are a new group, this will be determined based on your start date. After the first year, this will be determined by the annual year.
5. Submit the "**Schedule of Cleanups**" form to GC&B. This is for your planning purposes, and you can change the dates as needed.
6. Have all program participants sign the **Individual Registration Form** and return to GC&B.
7. **Notify** GC&B at least **5 business days before your cleanup event** and request

- supplies (if needed) by the group (vests, bags, and signs).
8. Remove litter, debris, or trash within the right-of-way of the adopted road section.
 9. Remove signs, posters or other display material within the adopted road section that could distract motorists.
 10. If you have too much trash or there are materials too large for you to remove, you can request a “DOT Pickup” on the Post-Cleanup Report. To request a pick-up, you must gather all materials at one pick-up location that is:
 - In a clearly visible location within the right-of-way.
 - Near an intersection that you can provide for direction in the Post-Cleanup Report.
 11. File a **Post Cleanup Report after each cleanup** within 30 days to GC&B.
 - This can be done via fax and e-mail, or conveniently on the website at: <http://www.gwinnettcba.org/adopt-a-road-post-cleanup/>
 - You must submit the Post-Cleanup Report within 30 days of your cleanup event to receive credit.
 - If you conduct more than 2 cleanups per month, you can submit a summary of your cleanups each month. If you choose this method, please note the number of cleanup events in the “Comments” section of the Report.
 - If you need a DOT pickup, be sure to include an intersection near where you have gathered the supplies. GC&B will schedule the pickup for you.
 12. Update Individual Registration Form as participants change and submit forms to GC&B.
 13. If a group loses or damages any supplies that were loaned out through GC&B, the group must reimburse GC&B for the materials according to the market price for those supplies.

SAFETY GUIDELINES

1. Watch out for traffic.
2. All program participants are required to **wear safety vests** during pickup. Those individuals that do not wear safety vests must not be allowed to participate in the work group.
3. Clothing worn should not impair either vision or movement during cleanup, nor should it distract motorists that may be driving past the work group.
4. Adequate supervision must be provided by one or more adults 21 years of age or older for groups which have participants 12 to 17 years of age (**IMPORTANT:** No one under the age of twelve (12) is allowed to participate in these groups).
5. Participants shall not possess or consume alcoholic beverages or other drugs during cleanup activities.
6. Work groups should be kept to a manageable size.
7. Participants should alert their co-workers and Authorized Representative of any known allergies they have before they are allowed to work. Contact with poisonous plants, venomous snakes, and stinging insects is possible.
8. Hazardous material or debris should not be removed but should be reported to GC&B.

9. Construction areas should be avoided.
10. Dead animals should not be handled. Report these to Animal Control for removal by calling 770-513-5100.
11. Debris and litter on bridges, overpasses, or in tunnels should not be picked up.
12. The group should not remove litter during inclement weather, hours of minimal light or in darkness, and times of day in which peak traffic occurs.
13. Personal vehicles should be parked clear of the roadway.
14. To keep vehicles to a minimum, carpooling to the cleanup area is recommended.
15. Water and First-Aid items should be readily available for participants.

4. The program will not permit any political activity that may arise from participating groups during activities related to cleanup. This policy is consistent with laws prohibiting expenditure of public funds, either directly or indirectly, for the purpose of influencing elections for the outcome of any legislation. The sponsors will have the right to take any and all measures necessary including, but not limited to, the removal of erected signs displaying participants' names determined to conflict with statutory restrictions or any restrictions on the use of public funds for political activity.
5. Commercial organizations cannot display any product, service, person's name,

product I.D., address, phone numbers, or web address on erected signs with the organization's name.

Only those individuals and/or groups that are deemed responsible will be qualified to adopt a road. Individuals and/or groups that have demonstrated violent and/or criminal behavior shall be prohibited from adopting a section of roadway.
2. The sponsors may refuse to grant a request to adopt a section of roadway if, in its judgment, granting said request would jeopardize the program, be detrimental to its purpose, or create a safety hazard to the traveling public. Safety is a principal concern in all decisions related to the program.
3. Program participants must agree to not hold the sponsors responsible for injuries that they may suffer or damages that they may cause or incur as a result of participation in the program.

MODIFICATION/ RENEWAL/ TERMINATION AGREEMENT

1. The Adopt-A-Road agreement may be modified in scope or altered in any manner at the discretion of the sponsors.
2. The participating group will have the option of renewing the agreement, subject to review and approval by the sponsors. At the time of renewal the informational database concerning the group will be updated.
3. The sponsors may terminate the agreement and/or remove Adopt-A-Road signs bearing the program participant's name or acronym if, in their judgment, it is determined that the group is not meeting the terms and conditions of the agreement, acting contrary to the guidelines of the program, engaging in irresponsible conduct at adopted work sites, proving to be counterproductive to the program's purpose, or increasing litter, vandalism, or sign theft have occurred since adoption. The group's Authorized Representative may appeal termination of the agreement with the sponsors.
4. The program may be modified to comply with new legislation regarding recycling and solid waste management.
