Pre-Planning Hours Involved: _____

Special Licenses or Items Needed? _____

Lessons Learned: _____

Other Comments: _____

The Rotary District 6910 Fundraising Summary is designed to provide clubs assistance with new ideas for fundraisers. It is an opportunity to share “Best Practices” for clubs to raise additional revenue for new or expanded local services. Sharing “Lessons Learned” also helps clubs avoid the same pitfalls.

Clubs are encouraged to provide information in the various categories contained within the form after they have closed out their most recent form and post back to the District Files Folder. This will provide our district clubs with a library of ideas, creating more **FUN**, raising more **\$\$\$** and enhancing **local services!**

*When complete, please upload to the **FUNDRAISING LIBRARY** folder located in DACdb.*

*Log in to DACdb -> Navigate to the District Tab -> Click on District Files -> Click on the **FUNDRAISING LIBRARY** folder -> Click on **UPLOAD FILE**.*

It's that easy!
