People of Action

Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change.

TOGETHER, WE

Serve

PEOPLE OF ACTION

The Rotary Club of College Park is one of 34,000 Rotary Clubs in over 200 countries. Our club offers you the opportunity to connect with over 1.4 million others who share a commitment to improving their communities and the world.

Internationally the club sponsors programs that include **eradicating polio, building schools in Africa, and providing clean water for Haitians.**

Through meetings, social events and community projects our members find opportunities to serve using their business and professional knowledge to address important social problems.

If this describes you, please join us in serving together to address significant social issues while creating lifelong friendships and business relationships.

TOGETHER, WE

Develop Imagination

MAKING A DIFFERENCE

The Taste of College Park is a fun evening of food and fellowship that also raises most of our community support funds.

Below are some of the projects and organizations that receive our support.

RONALD MCDONALD HOUSE provides a free home environment for children and families at Advent Health in College Park.

DOLLY PARTON'S IMAGINATION LIBRARY mails free, high-quality books to children from birth until they begin school, no matter their family's income.

CHRISTIAN SERVICE CENTER Central Florida's front door for homeless services. Provides meals and hot comprehensive services.

ONE HEART FOR WOMEN & CHILDREN provides resources for families as they transition through and overcome varying hardships of daily living in Central Florida.

We sponsor the **INTERACT CLUB** at Edgewater High School, and recognize **STUDENTS OF THE MONTH** at Edgewater, College Park Middle, Bishop Moore & St. Charles.

TOGETHER, WE

Encourage

SERVICE ABOVE SELF

Becoming a member of **The Rotary Club of College Park** enables you to join with your community's leaders, neighbors and business associates to make an impact both in College Park and across the world.

We offer hundreds of ways to join others who share a passion to put **Service Above Self**, and who seek to practice **Rotary's Four Way Test** in their daily lives.

The 4 Way Test
of the things we think, say, or do.

1. Is it the truth?
2. Is it fair to all concerned?
3. Does it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

We invite you to visit our club and learn about us and the opportunities we offer you to get involved in serving College Park through fellowship.

“I am a Rotarian because I believe by working alongside others who share Rotary's ideals, we can make the future and our world better, together.”

Robert Ford, Rotary Club of College Park
