

Meet Mercy . . . one of the recipients of **Dolly Parton's Imagination Library** sponsored by **Rotary Club of College Park!** And comments from her Mom!

Mercy is growing, learning and enjoying the books she receives more and more each month! This month's book "Madeline's 1, 2, 3" is easily a favorite!

Thank you so very much! :)

*I don't think I got the chance to say thank you for last month's book as it was a SUPER busy month for us, please forgive me, we so greatly appreciate each and every book we receive!*

*I wanted to pick back up by saying a big THANK YOU, for October's book of the month, "Twinkle, Twinkle, Little Star and Other Nursery Rhymes." Mercy absolutely loves it, and as you can see has quite the personality coming in!*

*I am so grateful for **Dolly's Imagination Library**, and of course the **Rotary Club of College Park!***

Hello! We wanted to send a big THANK YOU for this month's book we received! As always our family is incredibly thankful for the opportunity you all (as well as Dolly, of course) give us to receive these books! My daughter Mercy loves it already! :)

*Hi Frank (and other rotary club member friends),*

*Just another monthly thank you to all (as well as Dolly, of course) who give us such a special privilege of receiving books each month!*

This month's picture is of Mercy with her Daddy, Clint. They LOVED reading "Tad and Dad" together in celebration of Father's Day coming up!
