Cares Day

Peanut Butter & Jelly Sandwich CHALLENGE

Presented by the Rotary Community Corps

Everyone deserves a meal, and together, we can make it happen! Volunteer teams from the Firewall Center, American Heritage NJHS/NHS, The Rotary Club and Rotary Community Corps (RCC) of Fort Lauderdale, Christian Life Center, the City of Fort Lauderdale, and other non-profits will take on the PB&J Sandwich Challenge—working together to make thousands of sandwiches in one day at the Christian Life Center main campus.

How You Can Help

To prevent food waste and maximize our impact, we need:

- Organizations, churches, or individuals to distribute sandwiches to those in need
- Volunteers to help make and distribute thousands of sandwiches
- Donors and sponsors to support the effort

Let's do this together—spread the love, spread the PB&J!
