### September Program: Academy Award Winner Tammy Stedman-Tiehel

September 4, 2013

Plan on attending our first meeting in September when Malvern resident and Oscar winner Tammy Stedman-Tiehel will bring an actual Academy Award to Rotary and tell us about her journey to the Oscars.

Tammy grew up in Philadelphia. She obtained her B.A. at Washington College in Chestertown, Maryland and her Master of Arts from the American Film Institute in Los Angeles. She won the the Academy Award for her AFI thesis called "My Mother's Dreams the Satan's Disciples in New York".

She relocated back to the East Coast in 2001 and formed Ridley Park Films in 2003 to produce shorts and non-profit films.

From 2004 - 2009 Tammy took time off to raise a family.

She is currently developing a romantic comedy feature film titled "Bad Boys Crazy Girls" which is scheduled to start shooting in 2014.

### Get Muddy

September 28, 2013

For our September service project we are partnering up with the Tredyffrin Township Environmental Advisory Council who is sponsoring a tree planting on Saturday, September 28, from 8:30 AM- 12:30 PM, at Wilson Farm Park in Chesterbrook. We will meet at the tree planting location, which is near the putting green pavilion. The planting will include 150 saplings, 36 container trees and 50 shrubs. Other invited groups include Vanguard, SunGard, and Valley Forge Trout Unlimited. There will be a few tools available for the planting participants, however, please bring your own shovel if you have one. Garden gloves are recommended. The planting will take place rain or shine, unless there is thunder or lightning. In that case, the planting may be rescheduled to the next day. Feel free to text or call Chuck Cutshall at 610-291-6266 if you have any questions.

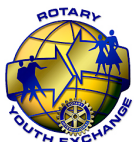

### Spousal Membership Status Approved by Board

September 10, 2009

Effective immediately, the UML board has approved a new membership category known as a Spousal Member. The spouse of any member in good standing may join the club at a discounted rate which would be \$100 less than the rate he/she would ordinarily pay. Therefore, the dues for a spousal member who is over 30 years of age would be \$209.60. A spousal member under 30 years old would pay \$149.60.

### The Swedish are Coming!

Johanna Kastenssen, our exchange student from Sweden arrived on August 14.

Johanna will live with the Rosenbergs for the first part of the year and with

Stacey Ballard during the second part of the year. In the spring she will live with another family in the district. Johanna will give her first presentation to the club on October 9

at which time Milo Rosenberg will also tell us about

his exchange year in Germany.

We hope to include Johanna in many of our club activities and service projects. Please introduce yourself to her and make her feel welcome in the US.

### New Member Training

September 4, 2013

Immediately following our regular breakfast meeting on September 4 we will be holding a training session for all new members. Training will last from 8:15AM until until 10:00AM. All members are welcome to attend this informative session. Attendance at a training session will be mandatory for all new members going forward. Sessions will be held on a periodic basis as needed.
