### MMFF Is Huge Success!

Kevin and Martin deserve a standing ovation for their outstanding efforts to make MMFF the best ever! Members who sold advance tickets, and those who got out and volunteered to serve drinks,

pour beer, take up tickets and clean up trash also deserve our thanks. And, maybe a word of thank for the perfect weather, too?

District Governor Susan Z-W and husband, Zach, came up from Lake Gaston for the event. She said, "We spent hours visiting and revisiting everything and eating much more than we should have! The event was spectacular! We had a fun time visiting with Rotarians, tasting all the delicious foods (which we thought were off the charts), listening to entertainment and enjoying an afternoon of relaxation, which has not been often during the past three months."

## School Honors Gordon and Judy

Gordon and Judy have just been inducted into the Manchester High School Athletic Hall of Fame!

Judy and Gordon taught at Robious Middle School and Midlothian and Manchester students came there to the after school training. Gordon said, "Many days, it felt like a three-ring circus!" In 1974, 75 and 76, their Manchester boys team won the Virginia High School league state championships. Two of the '76 team went to West Point and then served in the Army. One went to William and Mary and "set many gymnastics records." Two are still coaching gymnastics and one works for Gordon and Judy at Richmond Olympiad.

Great recognition for two people who have dedicated their professional lives to working with young gymnasts. Congratulations!

## The Traveling Rotarian

*Lisa has been on the road* and took *The Rotarian* along to visit the falls in Sioux Falls, SD. Then she spied a Rotary billboard in Spokane, WA.

Mount Evans, Colorado: Rotary Peace Memorial

This Rotary Peace Memorial, a sundial at the summit of Mount Evans, was placed there by the Rotarians of District 113 (Now D5450) in 1941 in honor of the Rotary International convention that was hosted by Denver Rotary in June of that year. It was dedicated by the then RI President Armando de Arruda Pereira of Sao Paulo, Brazil.
