Global Grant

Thanks to a partnership with the Richmond RC, students in the Occident school district of Costa Rica will get basic English books, there will be teacher training workshops and measurements will be made of the use of the books. Rotary International granted \$61,921 to the project, which is headed by the Richmond RC with financial support from HT Rotary, South Richmond RC, James River RC and three Rotary clubs in Costa Rica.

We'll hear about it on Nov 21. when our speakers will be Mike Little and Jeanne Walls of the Richmond RC.

Just Three More Days!

The 30th Annual Magnificent Midlothian Food Festival kicks off in just three more days! Time to finish selling your tickets and sign up for a shift(s) working at the festival.

Martin reports that, in addition to the amazing number of sponsorships he and his team have sold, HT Rotary also has obtained 29% of the value and 31% of the quantity of items for the silent auction at MMFF! It's not too late to get silent auction items to Mark: bring them Wednesday to the meeting.

This is our biggest fundraiser to support the work we do in the community. Remember, on Saturday, it's all hands on deck! Kevin is signing up shifts this week.

The Traveling Rotarian is on the road again. We know Ian's daughter is in school in Boulder, CO, where he took time to read the magazine. And, Mark assures us that his weekend jaunt to Cancun was REALLY for a meeting!

Linda is PE

Last week, members elected Linda Cozad to the role of HT Rotary President for the 2019-2020 year! Congratulations, Linda!

Rotary will also stream the event in French, German, Italian, Japanese, Korean, Portuguese, and Spanish.

This year's event will be livestreamed from the [College of Physicians of Philadelphia](#), known as the birthplace of American medicine. It is one of the oldest professional medical organizations in the United States.

Global health experts and Rotary's celebrity polio ambassadors will discuss our remarkable progress toward a polio-free world. Patience Asimwe, the protagonist of Rotary's upcoming virtual reality film "Two Drops of Patience," will introduce the movie. A sneak peek from Rotary's documentary "Drop to Zero" will also be featured. Jeffrey Kluger, senior editor for Time magazine, will discuss his experience traveling to Nigeria with Rotary to report on polio eradication. HT Rotary on Oct. 24

Our speaker at the Oct. 24 meeting will be author Nancy Wright Beasley, a Polio survivor.

A Midlothian resident, Nancy is a member of the Brandermill Rotary Club. Many members will remember two years ago when her book, *Thee Little Lion*, was adapted for stage and performed at the Swift Creek Mill Playhouse.
