Rotarian Travels

Bryon actually took his Rotarian with him when he and Josepha toured the FBI Academy! As members of the FBI Citizens Academy Alumni Association, they toured parts of the J. Edgar Hoover Bldg. (FBI headquarters), including the Strategic Information and Operations Center in DC. They also got a first-hand look at the FBI laboratory at Quantico.

Ian didn't take his magazine on his trip to Scotland, but he didn't forget Rotary, either! Left photo is the RC of Orkney's unique way of collecting donations. At right, Ian was in St. Andrews.

Rotary is a Hero! Rotary's commitment to eradicating polio worldwide won Best Nonprofit Act in the Hero Awards of the One Billion Acts of Peace campaign, an international global citizens' movement to tackle the world's most important issues.

The campaign is an initiative of PeaceJam Foundation and is led by 14 Nobel Peace Prize laureates, including the Dalai Lama, Desmond Tutu, and Rigoberta Menchú Tum, with the ambitious goal of inspiring a billion acts of peace by 2020.

Each year, the campaign picks two finalists in each of six categories for their work to make a measurable impact in one of the 10 areas considered most important by the Nobel laureates. Winners are chosen by people from around the world.
