And, the winner is Mark! He drew the Ace of Spades last week to win "THE BIG POT" and Sgt. at Arms Paul handed him \$434! Certainly brought on a big smile! Mark generously seeded the next pot with \$40 from his winnings.
Congratulations, Mark!

On the Road Again

Barbara and Beverley read The Rotarian at Nags Head, before Florence came to visit.

Julie's Rotarian made it to Lisbon with her sister, but Julie missed the plane!

We told the Rotary story and sold tickets to MMFF. Well, no tickets really went, but we talked one-on-one to over 150 people and they went home with festival flyers. Jim, Julie, George, Paul and Scott E. manned the booth. Scott and Ian ran; Kevin and Lisa walked the 5K course.

And, Scott **TOOK THIRD PLACE** in the rucksackers race, carrying an extra 20 pounds on his back!

It was a great day and humbling day for meeting wounded veterans, watching them overcome odds to race...and for people watching.

Over 600 runners this year!

The Flag is made entirely from dog tags of soldiers lost in conflict.

Thanks to Jim for help with the photos.
