What is DaCdb? DaCdb is a District and Club database that is used by 138 Districts and 3,743 Rotary Clubs across the U.S. Depending on your permission level DaC will make your ability to access your record, your club record, and district information. You will be able to easily identify and communicate with Club and District Leadership as needed.

DaC and the District Website:

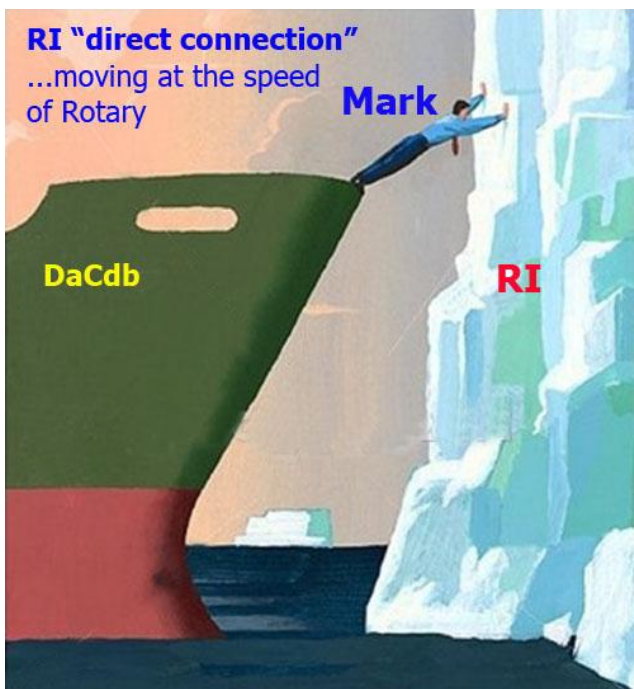

- **DaC** is primarily a communication tool for the Clubs and the District that can be easily accessed.
- **The District Website** contains information about the Clubs, The District, RI, and Rotary worldwide events...it does not provide for direct club or district communications.

The club optional, premium modules cost are \$349/yr for all 3 modules

- Weekly Attendance
- Dues/Invoicing
- Club Website access...
\$197 one-time setup for a standard club website.

Optionally, there is a one-time fee of \$300 for the setup of the credit card gateway to process credit cards for club events.

RI Direct Connect – Target date is now 2/18/2011 – Testing and date are driven by RI

- Will be able to compare and update RI & DaC Club Records.
- Will be able to compare and update RI & Club Member Records.
- Multiple RI Member ID corrections will still be resolved via email as per RI directive.
