

Iditarod Re-start Party

Hosted by Tryg & Kim Erickson

Sunday, March 3rd, 2024 to watch the **Iditarod Sled Dog Race**. We're located on the race trail at Long Lake, about 2 ½ miles from the restart. Traffic is heavy and parking in Willow is tight that day so plan to arrive early to enjoy lunch and begin the fun – we suggest getting here about **noon**. The race begins at 2:00pm then mushers come by every two minutes.
