

Welcome

Helping our community one project at time

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Today's Program

- Annual Meeting & Elections

Board for July 1, 2025-June 30, 2026

"The motion passes with a vote of three 'yeas' and two 'nays'."

Annual Meeting

- **Highway Cleanup** – our club regularly cleans a stretch of Highway 510 near Yelm, Washington
- **10 weeks of Summer Food Program** – during the summer months we provided weekly food bags for those students that are in need. We supplied about 375 bags of food each week and distributed them at 4 locations each week. We received a grants from the Cowlitz Community Fund and the Nisqually Tribe to help fund this and other programs
- **All Kids Win / YSC COVT** – New this year is a volunteer team to help deliver the weekly bags to some of the schools in the Yelm School district. We also have a volunteer team that assists the school each week in providing needed items at the individual schools.

Student of the Month Program (SOTM) – Each month a Yelm High School student is recognized by our club. Our business partners this year are Olympia Federal Savings, Pizzeria La Gitana, Ken McCulloch Insurance, Timberland Bank, Yelm Dental, Crowe Law

Yelm School District Pantry Program – We continue to supply snacks and other needs to the all schools as needed.

- **Teacher Mini-Grants** – this year we continued our Teacher mini-grants for elementary school teachers in the Yelm school district. We awarded 26 grants at a total cost of \$10,300. This year’s emphasis continues to be on literacy. It was great to see the many books, learning games and supporting items that were purchased with the grant money. We are approved to receive a district matching grant in the amount of \$2000 for this program.
