Katie Ginn’s Classification Talk 2.0

**SERVICE OPPORTUNITY**

**Challenge Series Races**

Life Enrichment Options (LEO) is a community non-profit founded over 30 years ago to support and advocate for children with developmental disabilities through housing, employment, education and recreation opportunities.

The Challenge Series Races is a LEO-affiliated recreation event puts these children in contact with non-disabled youth to have fun. Using LEO’s soapbox derby-type race cars, a non-disabled driver is paired with a disabled rider in 2-car gravity races on a downhill course. Each rider will pair with several drivers during the event so that everyone finishes first at least once.

**Our Club has reserved the LEO cars for races on September 17<sup>th</sup>.** Meantime, the cars are in need of some “detailing” from having sat idle for two years. Join the pit crew Andrew is forming to prep the cars for races to be held by several Rotary Clubs over the Summer and Fall. To sign up contact Andrew at 206-393-8356 or Andrew.Face@zionsbancorp.com

*New Member!*

**Max Stemper**  
Classification:  
Financial Advisor

Max is a Financial Advisor at Edward Jones, developing tailored strategies to help clients reach financial goals.

**Membership Anniversaries**  
Cassie

**Birthdays**  
Scott 1st week  
John 3rd week  
Sean 3rd week

## May 3<sup>rd</sup> Pub Night

Cornell updated us on Issaquah Schools Foundation's programs that support our schools and youth.

Chris' gave a Classification Talk on her careers in education and nursing.

## May 17<sup>th</sup> Pub Night

Janine provided hands-on training on the skill of flower arranging.

## May 10<sup>th</sup> at the Issaquah Depot Museum

### Partners for Work Mock Interviews

Partners for Work (PFW) is a District 5030 Project, beginning in 2008. Our own Debbie Moore serves as Coordinator, identifying jobs for candidates with intellectual/ developmental disabilities.

Mock Interviews provide candidates experience meeting with potential employers. This exercise often results in the Club finding our next Meeting Greeter, a step toward future full-time employment.

Following instructions from Debbie, teams interviewed participants, then presented each one with a summary of their strengths and interests.

## 2022 Scholarship Winners (\*was a Student of the Month)

Liberty High  
**Ryan Reamy\***

Attending U.S.C.  
Poly Sci/Int'l Relations

Issaquah High  
**Sydney Hancock**

Attending Univ of Oregon  
Neuroscience

Gibson Ek High  
**Greta Cavotta\***

Columbia College Chicago  
Film & Television
