MEETINGS DURING THE MONTH

Our very own A. Face (Andrew) taught us about a program he is trying to bring to the Issaquah School District.

Music4Life provides donated and repaired musical instruments at no charge to public school districts for use by students in need. To learn more about the program, or to donate, click [HERE](#)

Steve actually donated happy bucks to cheer on the Huskies in the bowl game!

Andrew donated a guitar to the Garage. It was a beautiful gesture and much appreciated!

The Garage, a Teen Cafe is awarded one of our grants. KayLee Jaech gave an update on what's been happening there.

Students of the month who all excel in the areas of Music, Drama, and Creative Arts

5th Tuesday of the month landed us at the Krawbar! It was a fantastic turnout with great food and drinks!
