IFCB Recipe for Hope Fundraising Breakfast Rotary Table.

Volunteers of Issaquah Schools discussing the 2024 Bond that is on the election ballots, due 11/5. If you haven't already voted, get out and do your civic duty and vote!! You can read about the bond [HERE](#)

Chris Cleary getting inducted into our amazing club!  
Welcome Chris!!

Mike Preiner, who owns [The Math Agency](#) discussing the educational gaps in Washington public schools, with detailed info on Issaquah schools and progress in closing educational gaps in high-poverty schools.

Our club was awarded the "100 Member Participation" award for giving to the Foundation. Nice work!

Students of the Month for World Languages

Club social at Agave was a packed house!

We are pleased to announce that our Rummage sale this past weekend was a success, and we really appreciate all the folks who helped to make it happen! This community is amazing and came out to offer up their items for the sale, to help us set up and organize, and to show up and buy the Troll's Treasures at the sale! Thank you to all...
