Consolidation and enhancement of Club's existing programs was achieved by providing continuity of Committee Chairs.

CLUB SERVICE: The summer picnic at a new location was a success. There were five fellowship dinners among club members' families. The Club meeting location was changed to Chau's at the end of the term and a new public address system was installed. The attendance policy is redrafted and will be enforced starting next term. Three past members have returned: Dolores Sibonga, Rufo Braun and Enrique Mora. The history of the club is drafted by Barbara Hallowell.

VOCATIONAL SERVICE: A new program of support for Bailey Gatzert student was installed with the help of Bon Marche. The scholarship endowment fund is increased by \$10,000 in addition to a commitment of \$5,000 from William Jordan, Architect. Two new named scholarships are created, one for Nora & Lloyd Barnes and the other in memory of Charles Peterson. The endowment funds are being consolidated into one account.

COMMUNITY SERVICE: Summer Festival, Festival Banners, Homeless, Operation First Harvest and At-Risk Asian Youth programs are continued.
