LOOKING BACK

MOVING FORWARD

PRESIDENT'S REPORT

JULY 2020 - JUNE 2021

Rotary
District 5030

Seattle - International District

Together, we see a world where people unite and take action to create lasting change —
across the globe, in our communities, and in ourselves.

LOOKING BACK

What a year - that would be the simple way of describing it. We began the Rotary year in the midst of

an unprecedented pandemic that saw us definitively sidelined at home for the entirety of the Rotary year.

With limited opportunities to be out in the local community that we serve, we found ourselves with the enormous challenge of adapting and reimagining the way the club operated. During the year, what started as a general wanting to get back to the way things were quickly shifted to moving towards where we knew we should be. We came to see that the challenge wasn't having to

divert from our old way of doing things. The challenge was adapting more quickly to a new way of doing things.

We leveraged our virtual speakers programs to continue engaging more with the community and pushed forward with our usual club work - albeit in different forms. More importantly, though, we took this time to reimagine our club and took actions to make it more accessible, inclusive, and diverse than ever. In this report, you will see not only a recap of the year, but also that renewed focus on the future.

A handwritten signature in black ink, appearing to read 'Henry Wong'.

David Goldsmith - Community Service

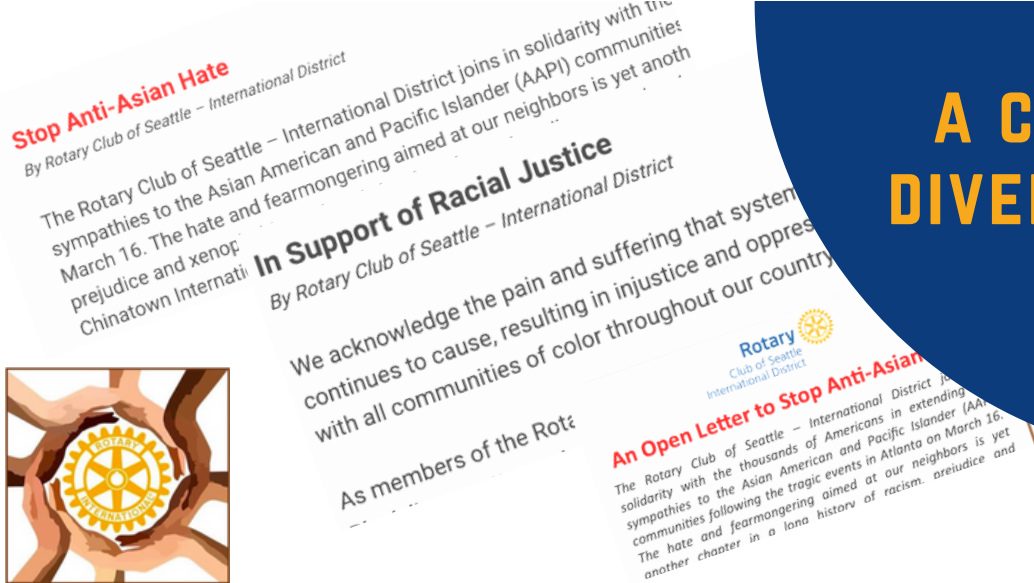

Ed Jefferson - Vocational Service | Scholarships

Stan Miner - International Service

James Woodcock - Treasurer

Heidi Toppel - Diversity, Equity, & Inclusion (DEI) | Youth Service

Shannon Woodman - The Rotary Foundation

A COMMITMENT TO DIVERSITY, EQUITY, & INCLUSION

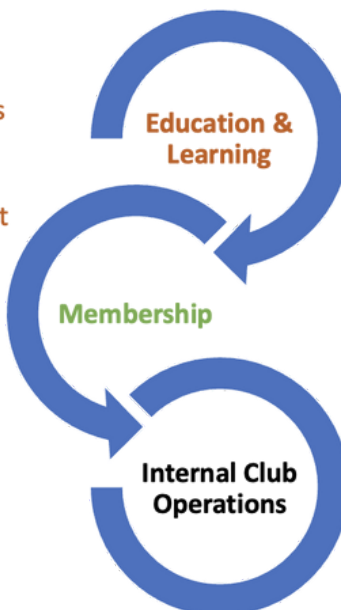

The aftermath of the George Floyd tragedy brought about a renewed stand against racial injustice. We began the Rotary year in the midst of lengthy discussions about our role, and Rotary's role, in support of racial justice. In July, the Diversity, Equity, and Inclusion Committee formed as an ad hoc committee of the Board of the Rotary Club of Seattle - International District. The purpose of the Committee was to draft a statement on racial diversity, equity, and inclusion for the Club's membership to approve and to recommend an Action Plan based on that statement. Further, it was charged with overseeing the implementation of that Action Plan by the Club.

That Action Plan had three categories of goals: education/learning, membership, and internal club operations. Goals for *Education & Learning* included having at least half of our speakers bring us info and opportunities in the local DEI space. As to *Membership*, we were to keep a census of members and focus on finding new members who could increase our diversity. As to *Internal Club Operations*, we decided not to recite the pledge of allegiance since, at this time, there is no justice for all of us and also with the recognition that, with Rotary being an international organization, not every member/future member is an American citizen. With *Internal Club Operations*, we were also committed to considering our community and international projects through a DEI lens.

Diversity, Equity, and Inclusion became, and will continue to be, central to everything we do as a club.

- Invite local community leaders as speakers to learn more about racial justice
- Participate in District and Interact Meetings on Racial Justice
- Conduct book group and table discussions/breakout rooms
- Research and maintain diversity census of the Club

Develop and implement a strategy to increase membership outreach to Black, indigenous and people of color in our geographic area

- Publish Statement on website with some goal achievements
- Use Statement as a guide for Community Service and Vocational Service Committees

All club meetings this 2020-21 Rotary year were conducted virtually. While an adjustment at first, we found that virtual meetings were much more accessible for speakers. With speaker programming, we continued to focus on gaining a better understanding of the work that other organizations and groups are doing in the community that we serve and exploring ways in which we might work together. We had an amazing line-up of diverse speakers and we hope that many of these relationships will continue in the future as new club members or working partnerships!

MOVING FORWARD

NEW CLUB PRESIDENT PRESS RELEASE!

Dr. Julie Hungar

In 1984 the Rotary Club of Seattle-International District began serving the Chinatown International District of Seattle with the intention of serving the broad range of people in this diverse area of the city. From then to now, community leaders of the area have assembled under the banner of Rotary in an effort to exchange ideas and take action to improve the lives of neighbors in need. The Rotary Club of Seattle-International District is pleased to announce that the president of the 2021-22 Rotary year will be Dr. Julie Hungar, who is retired from the Seattle Community Colleges and first became a member of the club in 1986.

When asked about the opportunity to lead the service organization, she said, "It is a sincere honor to be at the helm of an organization that has done so much for those in need here in Seattle and for people around the world via Rotary International. Rotary is an organization composed of 1.2 million leaders and action takers around the world, and I am proud to be the president of this club. Preceding me was Past President, Henry Wong, and he left extremely big shoes to fill, but with the help of our club's leadership, I'm confident that together we will be able to address the needs of the important causes our club supports."

"The Rotary Club of Seattle-International District is accepting new members," according to Membership Chair, Victoria Do. She added, "We are always looking for community leaders who will exchange ideas and take action to represent our community with diversity, equity, and inclusion that are hallmarks of Rotary and our club."

A PLAN FOR THE FUTURE

The Rotary Club of Seattle-International District unites a diverse group of professionals who take action to create lasting change at home and around the world, increase diversity and equity, and promote social justice in collaboration with others in the Greater Seattle community, with a focus on serving the International District, Central District, Pioneer Square, SODO, and South Seattle.

NEW MEETING FORMAT

VIRTUAL CLUB MEETINGS

Club will meet
virtually the 1st, 3rd,
and 5th Thursday of
each month from
11:30am-1:00pm

STRATEGIC PLAN

01

VIRTUAL CLUB MEETINGS - BUSINESS/SPEAKER

Inform and involve all members in decisions and activities of the club, the district, and Rotary International. Welcome speakers from a wide variety of organizations focused on contributing to the community and the world and that offer opportunities to participate or to enrich our lives.

02

IN-PERSON MEETINGS - FELLOWSHIP

Enjoy relaxed time with club members and their families. Invite members of other clubs to join us for fellowship and to encourage collaboration.

03

CLUB SERVICE

Engage individuals and agencies who share the values and direction of our community and international service programs as well as other community and international issues. Invite representatives of business, the arts, sports and other elements of community life.

04

COMMUNITY SERVICE

Lead projects and activities geared to the needs of our service area, grounded in diversity, equity, and inclusion and focused on: ECONOMIC RECOVERY, PUBLIC SAFETY, FOOD SECURITY, & HOUSING, EDUCATION

05

INTERNATIONAL SERVICE

Conduct joint ventures with Rotary International and other Rotary clubs for projects in underdeveloped areas of the world in the service of peace, with a focus on: EDUCATION, HEALTH, WATER, & FOOD SAFETY

STRATEGIC PLAN

06

VOCATIONAL SERVICE

Provide scholarships that support the career advancement of students who need additional assistance to be successful in college.

07

YOUTH SERVICE

Support the service activities and growth of the Seattle University Rotaract Club through joint projects and fellowship.

08

THE ROTARY FOUNDATION

Contribute to the Rotary Foundation with 100% participation.

09

MEMBERSHIP

Increase our ability to carry out service by bringing in new members and retaining current members.

10

FUNDRAISING

Provide support for club projects through events, grant-writing and collaboration with other clubs and outside organizations and businesses.

**Thank you to all our members, families,
fellow Rotarians, partners, and friends
for the continued support!**

In Memoriam

MARCIA CAROL USHIMARU
JAN 1954 - DEC 2020

The ripples of Marcy's journey through life would be present at the memorial service and beyond: her family, friends, and neighbors new and old near and far, watercolor artists' community, communities of developmentally disabled friends, stray and orphaned animals, and those who are facing life's challenges. All of us, humans and animals, will continue to live and be kind to one another in her honor. Ripples can be seen in all of us and those to whom we will be telling stories about our beloved Marcy in years to come.

- KENJI USHIMARU
