

WILLIAM OUNG  
President, 2000-2001

Here are the highlights of my term of office:

1. Directed Club's strategy to expand membership beyond the International District geographical boundary. Concentrated during the majority of my term on membership increase and rejuvenation. The strategic direction was based on interviewing some 25 club members.
2. Selected the best and most energetic executive members, proven to be very successful in many terms thereafter.
3. Doubled the size of the existing scholarship fund; created the Gary Ewing Trust Fund for musical scholarship at Bailey Gatzert Elementary School.
4. Committed to build a small school for 160 students in rural Cambodia. We are the second largest donor to this school.
