Lake Forest Park Rotarians live a lifestyle of **Service Above Self**, one of the founding principles of Rotary International. We raise money to support local, regional and international programs that directly impact the most needed areas of our society: Youth Homelessness, Hunger Intervention Programs for Pre-K and K-12, College bound education Scholarships, funding elementary and middle schools special needs, supporting local community service organizations like Center for Human Services, Shop-With-A-Cop and Hopelink, Environmental Sustainability projects and supporting International projects such as Clean Water and Sanitation , Maternal and Child Health, Basic Education and Literacy, Community Development and Peace Building.

LFP Rotary is celebrating 37 years of service in our community. Becoming a sponsor at any of the four giving levels will help ensure our community partners can continue their efforts to improve the lives of those who need it the most. We invite you to become a sponsor for this year's **All That Jazz** event. Please review our sponsorship and donation information below which outlines sponsor opportunities and recognition. Choose a level that best represents your desired involvement.

Please donate online or complete the registration form below and return it by February 10th, 2023.
