District 5060 Club Awards

Club Award for “Peace and the Environment Champion”

District 5060 has recognized individual club members in the last three years for “Unsung Hero” (2015-2016), “Rotarian Fellowship” (2016-2017) and “Changemaker” (2017-2018) in keeping with the District themes for the year. This year we will honor those Rotarians who have been responsible for Being the Inspiration to lead their club in a hands-on local community project with the suggested theme of building Peace and supporting the Environment in their club, in keeping with the District Governor’s theme for the year:

“BE THE INSPIRATION”

One club-chosen recipient per club will be presented with this prestigious award at the annual District Conference (2-5, May 2019, Kamloops BC). The recipient will be an active member of your Rotary club who has demonstrated the leadership and actions that have created significant energy and passion for hands-on local community service projects. Clubs are to submit their chosen name to the District Awards chair (info above) no later than 1 April 2019.

District 5060 Rotarian Awards

The District 5060 Rotarian Awards are named in honor of our leaders who have served the Rotary International Executive in the past. These two awards are presented to exceptional Rotarians who have served their Club, their community, and/or our District for many years, and who continue to serve. District 5060 Rotarian Awards may not be awarded more than once to any person, and current, incoming, and immediate past district governors are not eligible. The current district governor must endorse all nominations. Any Rotarian in the district can submit nominations in an essay format explaining why the nominee deserves the award with specific

reference to the criteria listed (maximum 250 words). The District Governor or the District Awards Chair must receive nominations no later than 1 April. A maximum of one of each award may be granted each year as determined by the Governors Council, made up of the current DG, the DGE, the DGN, the DGND and the two most immediate past DGs.

District 5060 PRIVP Harold R. Henderson Award
