Classification Talk Outline

Of the four Avenues of Service, **Vocational Service** represents the opportunity each Rotarian has to represent the dignity and value of his or her vocation and to demonstrate high ethical standards in the workplace. A Classification talk should communicate that spirit and include most of the following:

VOCATION/CAREER

Special Education or training in preparation

Career path

Interesting aspects of your profession

History of your profession

New Developments in your profession

Other interesting events in your career

Rewarding aspects of your career

Challenges presented by your career

Professional Ethics & Standards
