

## Leavenworth Rotary Club Community Service

Created by the Committee Chairs September 2021.

Submitted for Board approval October 2021.

The purpose of this table is to distinguish the work of the three committees under the Club's Community Service Area based on their purpose, responsibilities, and types of giving.

<b>Committee</b>	<b>Purpose/Mission</b>	<b>Responsibilities</b>	<b>Type of giving</b>
<b>Local Hands On Projects</b>	The undertaking of service projects of a physical and hands on nature for needs relating to health, hunger, water and literacy and other needs that are deemed appropriate to receive support from the Club	The Committee is responsible for identifying, evaluating, and implementing projects.	Hands on/labor/in kind, no funding involved
<b>Local Funded Projects</b>	To provide local financial assistance for needs relating to health, hunger, water and literacy and other needs that are deemed appropriate to receive funding from the Club	Responsible for announcing grant opportunity, review applications, and recommend funding to the Board.	Grants up to approximately 5,000
<b>Local Major Projects</b>	To partner with community entities in providing a product or service that aligns with a <a href="#">Rotary cause</a> and meets that entity's prioritized need.	The Committee is responsible for soliciting and evaluating ideas from community partners as well as our membership for projects with a larger commitment by the Club than Funded or Hands On Local projects.	May include financial contribution of \$5,000 or more, volunteer labor, and other resources provided by the Club membership. A major project may last for multiple years from planning through full implementation
