

Howdy-Doody List Processing (Sergeant-at-Arms)

Our Newest members have reached the benchmark of attending 4 meeting since their induction.

By now everybody has had opportunity to introduce ourselves, shake hands, welcome (Member) to the club, and sign his/her Howdy-Doody list.

Everbody except for a few individuals that for some reason or another have not been afforded that pleasure.

(New member) would you please stand.

(Member) please take this opportunity shake hands and enthusiastically welcome New Member.

Would those that have just had the pleasure to meet please drop into the bucket passing bucket the amount that you feel that opportunity was worth.
