

Hello New Member,

Welcome to the Leavenworth Rotary Club. As your mentor I have attached a **Mentor / New Member Task Outline** document. These are tasks that you and I will be performing together over the next few months. A review of that document will give you an idea of where we are going.

Also attached are the supporting documents. Please retain for future reference as I contact you in the future.

- **New Member Inventory of Interests:** Please complete and return to me to guide me in assisting you in recommendations to join Club committees and activities.
- **Club Organization Chart:** This will assist you in joining a committee. Please review and contact the chair of a committee that you would like to join.
- **Rotary Information Sessions:** This is an outline of what will be covered during these sessions, to be held sometime in the next six months.
- **Attendance, Make Ups, Leave of Absence:** This is everything you need to now about attendance.

Congratulations on your membership. You will be an outstanding member, I will enjoy mentoring you, and I look forward to your contribution to this great organization.

Best Regards

New Member Mentor
