The members of the Rotary Club of Kelowna Sunrise extend their congratulations to two club Rotarians who continue to support The Rotary Foundation of Rotary International; and while doing so, achieved an additional Multiple Level status as a Paul Harris Fellow (PHF).

Norm LeCavalier was recognized for his achievement of a PHF+2 level on August 06, 2021; while Susan McIntyre was recognized for the achievement of the same level on September 10, 2021. These Rotarians are the first two to attain an additional PHF level for the Rotary Year 2021-22.

Tom Paterson, the club's Rotary Foundation Chair, made the presentations during the club's regular zoom meetings; and on behalf of the club expressed gratitude and congratulations to the two outstanding club Rotarians for their focus on supporting the Foundation which continues to finance humanitarian programs and the promotion of world understanding and peace.

In making the presentations, Paterson stated that "the symbolism in this recognition is to say thank you for making a difference in your community and in the lives of less fortunate people in the world."
