

# Congratulations Okanagan Sun, CJFL 2022 Champions

Story by Ed Kolybaba on Nov 23, 2022

*(Okanagan Sun's Partnership with the Kelowna Sunrise Club in helping to eradicate polio in the world)*

The Rotary Club of Kelowna Sunrise congratulates the Okanagan Sun, in winning the 2022 Canadian Bowl, the championship of the Canadian Junior Football League; and while doing so expresses its appreciation and thanks to the local football club which has supported the fundraising endeavours of the Rotary club's PolioPlus campaign for many years.

At the Rotary club's regular meeting on November 28<sup>th</sup>, Cary Lehmborg, Director at Large, expressed his appreciation on behalf of Okanagan Sun for the continuing support of the Rotary club and its membership, particularly for the many hours of volunteering provided during every home game football season after football season, year after year. He added that this partnership has always been crucial for the Okanagan Sun organization.

This past 2022 Okanagan Sun football season, the Rotary Club raised \$3825.73 through the generosity of the partnership with the Sun Football Club. Funds were raised from tips, 50:50 sales, and from a portion of the beverage sales during all of the home games. All of these funds have now been donated to the PolioPlus Fund of The Rotary Foundation.

The Okanagan Sun is truly a community minded organization, not only providing top notch football entertainment, but also for supporting not-for-profit organizations within the Central Okanagan and the work they do to make our community better for everyone.
