Additional financial support will shortly be provided to Child Advocacy Centre and the Kelowna General Hospital from the net proceeds of the sold out sale of the Rotary Club of Kelowna Sunrise's **Season of Giving Calendar**. As a result, the response to the health and well-being needs of children throughout the Central Okanagan will be further enhanced.

On November 16<sup>th</sup>, Chris Murphy, Co-Chair, Season of Giving Calendar, announced publicly that all 6000 Season of Giving Calendars had been sold. Sales for the calendar commenced on October 23<sup>rd</sup>. With the sale now completed, those who purchased the calendars for \$20 will now look forward to having their ticket number drawn during the period of December 01-24<sup>th</sup>. Purchasers have 261 chances of winning prizes having a total value of \$62,319.

The winning numbers will be announced daily throughout the drawing time frame at KelownaNow. The winning numbers will also on the club's 'Season of Giving Calendar' and on a weekly basis on this website and at Capital News.

With the Calendar sales exceeding expectations, no doubt the Calendar fundraiser will be re-introduced next fall; thus providing more financial support for worthy causes in the Kelowna community.
