Will ask all clubs that are within service area to partner with us to fill trailer with additional recommended equipment

### ONGOING/NEW BUSINESS:

- ◆ **KETTLE FALLS COMMUNITY CHEST**— Harvest Auction tomorrow night. Potluck at 5pm, Auction at 6pm
- ◆ **2ND PLAYGROUND AREA?** Idea brought forward from the City via Jesse. This would be a separate play area geared towards smaller kids. Discussed that the current playground equipment at the Splash Park is in need of repair. Opinion is that repair is higher priority over installation of new playground, if Rotary is going to be involved.
- ◆ **LOG TRUCK RAFFLE**—Raffle Tickets—turn in stubs to Grace for spreadsheet. **Ciderfest—Oct 5th**
- ◆ **SIGN PROJECT**— Floener Electric responded. They want the project. Schematics to Dave for demo purposes. Grace will ask supplier for full installation information.
- ◆ **TRUNK OR TREAT?**—Chamber of Commerce requesting participation from Community. Opinion is that we are already doing enough projects.
- ◆ **BINGO NIGHTS**— Any changes needed this year? HS student seeking community service hours need to show up at 5pm. No more than 2 students at a time. Have a list of tasks for them to do so that no matter what Rotary member they approach can direct them.
