## Words From Your President

**Your Board in Action.** The Sisters Rotary Club Board of Directors meets monthly and makes decisions on how the club is run, making sure we meet all of the RI and District requirements for a Club in good standing, managing the budget, and making plans for fundraising and charitable events in Sisters and at the District and International levels. Our last meeting was December 12.

We made a discussion about hosting an international student in 2019-2020. The club is small and we struggle to find the required 3-4 host families. Also, two of our families that have hosted in the past are no longer available for hosting. After the discussion the board voted unanimously that we would not host a student in 2019-2020 year, but would consider hosting in the future if we get new members with families that are interested in hosting.

We discussed the possibility of a future international project with either Worlds Children or 10 Friends. We are continuing to investigate and discuss options.

The Fundraising Committee met at 6 PM December 12 following the Board meeting. A plan was set to have the Hoedown become a Sisters signature event and have our partners (Band of Brothers, Circle of Friends and Kiwanis) step up to be more involved in running the Hoedown. Steve Auerbach and Hal Darcey are leading this effort for our club.

Our next Board meeting is 5 PM January 17 at the Pine Meadows Club House. We will include discussion of Fundraising in the Board meeting. If you would like to come to any Board meeting let me know and I will make sure you get the information you need.

Regards, Curt Davis, 2018-2019 Sisters Rotary Club  
President
