The Four-Way Test
Of things we think, say, and
do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

DID YOU KNOW?

- the average person laughs 10 times a day
- the average human brain contains around 78% water
- the average soccer ball is made up of 32 leather panels and held together by 642 stitches
- the average porcupine has 30,000 spikes
- the average lifespan of a squirrel is 9 years

Thoughts to Ponder

- ♦ If a "mime" is arrested, do they tell him he has a right to talk?
- ♦ In the song "Yankee Doodle", is he calling the horse or the feather "macaroni"?
- ♦ Is there a time limit on fortune cookie predictions?
- ♦ If vampires can't see their reflections, why is their "Hair" always so neat?
- ♦ Since bread is square, then why is sandwich meat round?
