Submitted by: Gael Coyle

Minutes:

There was not a quorum for the June board meeting, so minutes were not taken.

Directors’ Reports:

Susan Blane, Club Service – Susan shared that she is not able to conduct the relocation of our club meetings and some of the other work associated with Club Service. Members of the board stated that as director she has committees and committee members can complete tasks associated with their committee. A committee is established and working on finding a new location for our club meetings.

Kerry– Membership Director – We need to have club members sign up for committees and to have member engagement. We need to grow membership. He would like to have monthly Fire Side Meetings.

Tony Devico – The Rotary Foundation -We made out goal last year for donations to the Rotary Foundation - \$14,000. Need to put flyers on tables during club meetings. Maybe have a thermometer delineating how much money we have donated.

Gil Acterhoff, Treasurer – He sent the treasury reports out prior to the meeting.

Carisa Hettich, President – Discussed social events for our club. Interested in having members wear their Rotary shirts and going to Relay for Life to support fund raising for Cancer and to support our two members who are running.

He will not be at Law Enforcement Day. He and Beth will be on a trip to the Grand Canyon.

Andrea Voorhees, Programs– Speakers are scheduled into November. Committees are: Sgt of Arms, Invoflection, Law Enforcement, and ticket sales.

Joseph Lewis, Communication – He appreciates the change in meeting times so he is able to attend. He asked about web page. Gael suggested that articles be submitted to the District newsletters.

Sandi Black, Community Service – Asked if there has been sign ups for committees? She suggested visuals for Committees.
