Gilda Riazzi Moshir, 2025-6 District Governor D5300

We are honored to host our District Governor to our meeting this week.

This year, we continue our push for 100% club participation in the 3-Year Action Plan. Your Area Governors are ready to help—please ensure goals are submitted by July 15. Remember, these plans can be updated as needed.

Our Rotary International theme is Unite for Good—a powerful reminder of what's possible when we work together. My personal theme is Honoring Our Legacy & Envisioning Our Future, inspired by our 105-year-old district and its trailblazing history, including PDG Sylvia Whitlock's landmark Supreme Court case in 1987 when women were permitted to join Rotary. We have named PDG Steve Garrett as Historian to gather the histories of our clubs, district and members to help preserve and share our district's legacy.

During my Governor visits (July–December), I'd love to recognize a Catalyst in each club—someone pushing boundaries and driving growth. Please share names with my Chiefs of Staff, Justene Adamec and Deb Parsley.

Goals for 2025–2026:

1. 15% increase in participation across District programs (TLC, RYLA, Interact, global grants, youth contests, etc.).
2. 15% membership growth—net 5 new members per club.
3. Launch 2–4 new clubs (satellite, companion, Rotaract, cause-based etc.).

We're welcoming new leaders, including 6 new Area Governors and key committee chairs in Peace Fellowships, Membership, Vocational Services, Community Services, International Services, and Public Image. We've joined the Rotary Means Business (RMB) Fellowship and will be hosting business networking

“Service above Self”

events to promote your business to fellow Rotarians and non-Rotarians. We are adding another youth contest - the Business Plan Competition held by some clubs will be brought to the district to fulfill our Vocational Service arm. We will continue partnering with the Rotary Action Group against Slavery (RAGAS) to educate our youth and community about the human trafficking industry.

New this year:

- RYLA will now include sophomores and juniors – we are switching the time of year it is offered – it will be held in December.
- District Conference: April 24–26, 2026 (multidistrict format).
- Foundation Gala in Vegas and 2 END POLIO events, one in CA, one in NV.
- New YouTube channel and enhanced social media support for clubs.
- We're also seeking an Environmental Champion—if interested, please contact me.

Let us embrace the 3 WE's from the book **Begin with We** by Kyle McDowell: **5) We own our own mistakes; 6) We pick each other up; and 7) We measure ourselves by our outcomes not activity.** Let's build this Rotary year on the principles of Camaraderie, Collaboration, Communication, and Consistency.

Gilda is a Life Insurance Broker, she represents over 50 major insurance carriers.

Prior to life insurance, Gilda ran a nursery school with a 70-year history in Pasadena. Gilda has 16 years in the field of Early Childhood Education, educating families on effective parenting. She has a degree in Social Ecology and Political Science from UC Irvine, and an Associate degree from Pasadena City College in Education. Shortly after

graduation from UC Irvine, Gilda met her husband, Mehrdad, also Persian, who is an astrophysicist who worked for Caltech/JPL and now Aerospace Corporation. They raised their 2 boys, Darius (29) and Kian (27) in San Marino and now live in Pasadena near Huntington Gardens and Caltech. On September 3rd, they celebrate 32 years of marriage.

Gilda is a proud Persian-American, she immigrated to the US after the 1979 Revolution in Iran, when the monarchy was overthrown, she and her family fled Iran

Gilda was inducted into San Marino Rotary in 2012 and hit the ground running. She served the club as its Membership Chair, Community Grants Chair, RYLA Chair, Mini Grants Chair, Barth Scholarships Chair and as a member of the club board and the Charities Board ultimately becoming club president in 2016-2017. She served as the club's Membership Chair for the past 10 years. Gilda got to serve as the District Membership Chair twice, once from 2019 – 2021 and took a hiatus in 2021-2022 when she became an Area Governor for Area 1. Over the last 2 years while Gilda has been training for becoming a District Governor she has gained many new friends and has learned how other clubs and districts run their organization. Although we do great things in San Marino and in our District, we can always learn from others, I am so excited to get to know the clubs better over the next year and be inspired by all of you who make a difference in our communities local and worldwide. See you soon at your club meeting.

RIDGE RIDERS EQUESTRIAN CENTER SERVICE PROJECT

David Carmany
RCWC President

The Rotary Club of West Covina is gearing up to make a splash of color and community spirit once again! On Saturday, September 27—from 8:00 a.m. to 11:30 a.m., we'll be gathering at Ridge Riders Equestrian Center, 350 S. Citrus Street, West Covina to repair and paint the main equestrian arena (link to PDF flyer).

This initiative honors Rotary's longstanding tradition of community service in West Covina—from revitalizing parks to enhancing school facilities for decades. Partnering with the three RCWC sponsored Interact Clubs of the West Covina Unified School District (West Covina H.S., Edgewood H.S. & Mt. SAC Academy) and the City of West Covina, we continue to live out Rotary's ideal of Service Above Self, while inspiring our youth and strengthening our shared community.

Volunteers—this call is for you! Please bring work gloves, painting clothes, and a generous dose of community spirit. Together, we'll brighten this beloved gathering place and carry forward the proud legacy of the West Covina Rotary Club.

Governor Gilda Moshir

Dear Rotary Family,

This edition of the Highlighter will be unique as every article herein is related to membership. I'd like to thank our new District Membership Chair, **Zoot Velasco**, **Club Builder/New Channels and Inclusive Leadership Chair Gino Reyes**, **Rotaract and Rotary Community Corps Chair Edward Abad**, and **Attraction Chair Betty Bui** who have crafted articles to help your clubs **Envision Your Future**. Many of our clubs have asked the District - How do we grow? How can we engage? How can we retain? Thus far, I've visited nine clubs and I've shared with them the idea of "giving birth to clubs" – perhaps a Rotaract club (either College or Community Based), or to consider adding a Companion club. These are some of the ideas we want to share with you to grow your clubs not just by numbers, but in strength, diversity, and connection. ([more](#))

**With just two weeks' notice,
Francesco Arezzo confidently takes
the reins of Rotary**

By Etelka Lehoczky

In the short walk between Francesco Arezzo's makeshift office in the BMO Centre at the Rotary International Convention in Calgary and a patio outside it, enthusiastic Rotarians stop him no fewer than a dozen times.

With a warm smile, Italy's Arezzo thanks two sergeants-at-arms from India, hugs and jokes with a past RI director, and poses for a selfie with a group of Rotarians from Korea.

It's the day before the start of the convention, and while all Rotary presidents draw well-wishers, there's another reason why everybody is clamoring to meet Arezzo and his wife, Anna Maria Arezzo-Criscione: He'd been selected to be the 2025-26 Rotary president less than a week earlier..

A gift today to our Foundation will help Rotary members do good in your community and around the world. Rotary members respond every day to challenges in communities around the world — work that is often supported by Rotary Foundation grants. These grants are possible because of contributions from members like you and Foundation supporters around the globe. But requests for funding are increasing, and we need your help to support more projects that make an impact.

When you donate to our Foundation's Annual Fund, you become part of a collective effort to support sustainable, life-changing Rotary projects. The Annual Fund includes SHARE, the World Fund, and funds for our areas of focus.

Our members and donors allow Rotary to accomplish amazing things. In the current Rotary year, we've already helped fund more than 478 district grants, 1,053 global grants, and 101 disaster response grants. As part of each one, Rotary members work with communities to address ongoing problems and find solutions to emerging issues.

Please support our Annual Fund today by making a gift online or sending a contribution by mail. Your donation will be transformed into projects by Rotary clubs around the world, including West Covina. Together, we can support members who are Doing Good in the World.

Sincerely,
The Rotary Foundation
