### CLUB LEADERS

President-Elect  
 Jerry Allen Ogburn

Secretary  
 Jacqueline Campagne Wachs

Treasurer  
 Eileen Reilly

Rotary Foundation Chair  
 Robert C. Allan

Our Club lost an outstanding Member on Tuesday January 21, 2020 - Thomas Smith.

Thomas was a Seven-Time International and National Award-Winning Author. His dedication, leadership and passion are shown in his thirty plus years of community engagement. He was recognized with national and state awards.

Thomas demonstrated humanitarian service at its highest level and was an active civic leader. Thomas had a lasting imprint on the Palm Springs community. In 2015 he received the Palm Springs Human Rights Commission Community Service Award. He was honored at the prestigious Palm Springs Pride Parade in 2014 as Grand Marshal. Also in 2014, he received the Presidential "Call to Service" Lifetime Achievement Award, a national recognition for demonstrating a lifetime commitment to volunteerism.

Most of all Thomas was passionate about his involvement in Rotary International and believed that there can be no higher recognition than to incorporate the importance of "service above self" in affecting positive and enduring change in the lives of others. He became a Rotarian more than twenty-five years ago. His Rotary service took him to many states and foreign countries. He served as President of The Rotary Club of Palm Springs and received the District's Outstanding President of the Year Award and the Rotary International Presidential Citation for his year. In addition, he served as Assistant Governor, District Grants Chair, and District International Service Chair. This year he was serving as Executive AG for District 5330. He was a graduate and a Facilitator for the Rotary Leadership Institute. As a member of

### PMail Tracking

The most recent 90-days of PMail sends (campaigns) are shown below. The No Read (and % Read) statistics are approximate numbers of PMAILs opened (not necessarily read) by members. Your read rate could be higher than what is reported. What is reported is a positive indication of PMAILs being opened. PMAILs opened off-line or on devices with no connectivity will not be included in the statistics below. Also, some email programs do not allow for open tracking and others allow the recipient to choose whether to allow or disallow open tracking. A 20% and above read rate (% Read) is considered good.

PMail Click Tracking is now available by clicking on this ICON.

### Wine Down Wednesday

Hosted by Rotary Club of Palm Springs at the Palm Springs Areal Tramway

Our **Wine Down Wednesday** event hosted by Elevated Experiences & The Peaks Restaurant at the Palm Springs Aerial Tramway, was a wonderful affair. The food was great as well as the wines. Everyone had a great time and we raised funds for our Youth Services.
