

Rotarian of the Year

“Service Above Self”

ROTARIAN OF THE YEAR is the highest honor bestowed upon a member by the Coronado Rotary club.

The annual award is determined by past Rotarians of the Year who are active members of the club. The member selected is presented a “Green Jacket” as a symbol of the honor before the membership on a special occasion near the conclusion of the Rotary year.

All nominations originate with the active member past Rotarians of the Year who serve as the committee of the whole for considerations of those nominated. Club and community participation, ethical performance of business or professional responsibilities and advancing the ideals of Rotary through singular actions of service are the primary criteria for selection.

The award recognizes a Rotarian demonstrating, over a continuous period of time, a unique commitment to Service Above Self.
