1. Naco kitchen project: Painting trip was a great success with thanks to ACE Hardware and Les Orchekowsky for donating the paint. Pictures are on the website.
2. Rack Cards: Derek presented a mock up of the design and asked for corrections and comments.
3. Big Woody's Food Truck has offered to park outside the VFW to provide food if there was interest. There was!
4. President Elect: We need to find someone willing to step up. Training and PETS are coming up!
5. Charities Treasurer: In the future the district will be offering a service to manage charities funds but now with the departure of Fred Otto, we need a new treasurer to be signator on the account. Cindy was asked if she would consider adding that to her job as charities treasurer. She agreed and will meet with the charities board to discuss and vote on the matter.
6. Speakers: please give Sherrie your suggestions.
7. Handbags for Hope: the event to assemble the bags will be December 19. A "Reverse Yard Sale" at Farmer's Market to collect clothing and needed items was proposed.
8. Halloween participation
